Chapter 10: The 10th Science - Using Spiritual Things To Control A Person

8-1.gif

THE SPIRITUAL FOUNDATION FOR PROGRAMMING LAID BY THE PROGRAMMERS ARE THE GENERATIONAL SPIRITS WHICH ARE LAID IN THE WOMB & INTRODUCED TO THE CHILD WHEN VERBAL AS THE CHILD'S "FRIEND" & "SPIRIT GUIDE".

A CLAN'S GUIDING SPIRIT IS ALSO CALLED A TOTEM. THE KEEPERS OR GUARDIANS PROTECT THE SPIRITS WITHIN AN ILLUMINATI SYSTEM.

THERE WILL BE ONE ALTER WHICH KNOWS ALL THE DEMONS WHICH HAVE BEEN LAYERED IN.

FROM THE AGE OF FIVE, THE CHILD'S CULT PARTS WILL BE TAUGHT THE GENEALOGICAL HISTORIES OF THEIR SPIRIT GUIDES.

AT THE AGE OF 12, SOME CANDIDATES FOR AMER. TRIBAL CHIEFS HAD TO WAIT IN THE WILD FOR THEIR TOTEM TO GUIDE THEM. THEY MUST REMAIN IN THE FOREST UNTIL THEIR GUIDING SPIRIT APPEARS. THIS IS WHY THE ILLUMINATI STUDY THE XIBALIAN MYSTERIES WRITTEN IN THE POPOL VUH.

Saving this chapter for last (of the mind, body, spirit chapters) is like saving the best wine for last. The authors know first hand that the Illuminati fears more than any other information getting out, that the spiritual aspects of programming would be revealed.

This chapter has been organized into the following parts:

The 10th science includes some of the most secret elements of the Monarch programming, and certainly some of the most controversial. Psychologists and psychiatrists are an unlikely group to delve into demonology, although there have been a number of studies done in this area.

Six examples of such studies:

- Braude, S.E. (1988). "Mediumship and multiple personality." *Journal of the Society for Psychical Research*, 55, 177-195.
- Krippner, S. (1987). "Cross-cultural approaches to multiple personality disorder: Practices in Brazilian spiritism." *Ethos*, 15, 273-295.

The Gamma programming is the secret layering in of demons. However one wants to describe these demons--the victim has to deal with their "reality". The ceremonies to demonize the victim occur even before they are born. Generational spirits are very important to determine how the Programmers program a person. But this 10th science goes way beyond just demonology, because it deals with the fundamental issues that effect our views of God, our fellowship with Almighty God, and our view of the occult sciences of astral projection, ESP, telepathy, etc.

Part A. The Use Of Spiritual Principles To Isolate The System From God

In the course of deprogramming Monarchs, and rubbing shoulders with programmers, it became clear that the programmers of the Monarch program are fully aware of the spiritual principles which are in operation for everyone. In 1930, a leader of one of the groups which today carries out trauma-based mind-control, wrote that the occult masters are not interested in uplifting the souls of men, but that "These Masters. .. have in reality no interest in soul or astral development, except as a means of forming passive Illuminized tools, completely controlled in mind and actions."

The Monarch victims of today are the tail end of centuries of efforts by the Kaballists, Freemasons, and the Illuminati adepts to completely control other human beings. The following quote comes from a communist manual on how to brainwash a nation. It could just have well been written by Monarch Mind-Control Programmers. "The first thing to be degraded in any nation is the state of Man, himself. Nations which have high ethical tone are difficult to conquer. Their loyalties are hard to shake, their allegiance to their leaders is fanatical, and what they usually call their spiritual integrity cannot be violated by duress. It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of [mind-control] to reduce that state of mind to a point where it can be ordered and enslaved. Thus, the first target is Man, himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an [animal](#), capable only of animalistic reactions. He must no longer think of himself, or of his fellows, as capable of 'spiritual endurance,' or nobility... " As it seems in foreign nations that the church

is the most ennobling influence, each and every branch and activity of each and every church, must, one way, or another, be discredited. Religion must become unfashionable by demonstrating broadly, through psychopolitical indoctrination, that the soul is non-existent, and that Man is an animal."

Later this chapter will describe how a person is dehumanized. One spiritual principle is that if you can get a person angry at God, you can get that person to commit any sin. Great effort is taken, via staged events to make the victim being programmed certain that God has rejected them. For instance, some victims had someone play God and walk away from them when they needed help in a life & death situation.

The 1980 Hollywood movie *Altered States*, which is about a university professor in the 1960s who experiments with mind-altering drugs and sensory deprivation tanks, shows some scenes where God turns into a goat. Some of the religious scenes in this movie, match some of the anti-God/religious programming of some Monarch slaves. The Monarch slaves are repeatedly warned that God is cruel and judgmental, and that He wants to destroy them for the wicked things they have done. Bible verses that tell of the wrath of God & God's anger are read to the victim. An example of how the slave is programmed to hate God will now be given.

A hypnotic drug will be given the victim when they are about 6 years of age. This will relax the person and allow the programmers to take the child into the deepest trance, so that the programming will be sure to enter into the very fiber of the child's being. After several hours of being in a deep trance, as the drug begins to wear off, the child will be strapped very secure into a tight fitting coffin. A man with long white hair, and a long robe, with sandals, staff and a white robe will present himself before the child, and announce that he is "God the great I AM". Then "God" will look in a big book and announce he cannot find the person's name so he will have to send the person to hell for being bad. The coffin will then be lowered into a deep pit---like a mine shaft, and the victim will be told that when they can no longer hear God's voice that they will be a cat and not human. God can't find them in the book because they have no soul, and are a cat. Deeper and deeper the child is lowered. They are told this is the penalty for having tried to pray to God.

The programmers make sure that the slave is implicated in many gross sins, such as the murder of innocent children, in order to insure that the person is sure that God hates them. Then the victim is told that God is a consuming wrath who hates them. The injustice of God creating a world of suffering is also taught to the slave. All this is to insure that the victim hates God. That hatred toward God will express itself in the victim's system's willingness to do any sin, without conscience.

Part B The Monarch Programming Is A Miniturization Of What Was Being Done To Entire Peoples Or Cities

Demons are attracted by the "scent" of people. We are made in the image of God, and we are attractive prey to those who hate God Almighty. Cities are magnets for demons. When demons target a person or people, a common tactic is to make trouble for the person. When a person's problems reach a crescendo, they will be in a state of mind to grab any solution that is passing by. People then make pacts with demonic forces. They sell their souls hoping for relief from their problems. All this is clear as a bell to the spiritually enlightened, but the demonic forces are able to dull the senses of their victims to the point they no longer have the slightest realization that they have sold their souls. People make a choice to accept the falsehood offered by the demons for their relief, rather than stick with the truth which seems to hurt. The demonic lies may be that colds and flus are caused by evil spirits--when in reality they are caused by viruses and bacteria. Or the opposite type of lie may be given--that demonic forces have no influence over disease, that only viruses and bacteria exist.

In Africa, modern medicine is often viewed as White Man's magic, because they fight disease with incantations which the demons have taught them to use to cure their problems. Authority to demons is transferred to them by festivals, ceremonies and pilgrimages. Strong demonic manifestations usually occur around festivals, ceremonies, rituals and pilgrimages which are being done everyday around the world. These ceremonies and rituals are welcome mats for demonic forces giving them the right to rule. Every area of the world has them. And often demonic signs and wonders occur at these rituals and ceremonies.

The power of a lie has to be preserved and fuelled by tradition, which is manifested via rituals. Without tradition the power of the lie would die out. If the tradition is being rejected by a people, the demons often augment it with "new" deceptions. The first lie doesn't stand a chance. The pre-existing bondage then is strengthened by new deceptions that seem more appropriate.

If you were asked now, "HOW DOES SATAN ENSLAVE PEOPLE?" you should know the answer because it was just given it to you. The answer is Satan's control is trauma-based. A trauma is applied to the lives of people. They reach out for some type of answer to the trauma, and the demons offer some type of answer--so many Hail Mary's, or so many sacrificed cats, or pray to some idol which is a disguised demon. The lies are turned into myths which the people believe. The myths are a blurring of reality which the people on one level may know are false, but their minds can't break loose of the power of the lie. The power of the myths are fuelled by tradition and demonic manifestations and demonic attacks.

Anyone who steps outside of the demonic lie is attacked. The people feel they are being personally attacked when their traditions are ignored. Because a people has willingly sacrificed the truth for the falsehood in their need for relief from their trauma, they have chosen to be deceived. This choice to be deceived has a great deal of spiritual power to it. They are no longer truth-lovers. It is not enough to come to these people with the truth. They have rejected the truth. They must at some point will to seek the truth again. These people can have all the proof shown to them about the truth, and they will continue to reject it. Their demonic bondage needs to be broken somehow. This bondage can be broken in a number of ways. Pointing out the inadequacies of the lies is sometimes sufficient to break the demonic spell over people. But after the lies are broken, they need to be followed by the truth--and the love of truth.

The Monarch Mind Control programming is simply the sophisticated application of what has been done to humanity on a large scale being scaled down and applied to a single human body. Trauma and lies are used in the same way. The different alters sell their souls to the lies in return for their safety. A basic ingredient to the programming of a group of people (or a group of alters) is the same--trauma and fear.

The Land of Oz was ruled by a shadow-leader, the Wizard of Oz. Most countries are ruled by unseen people and unseen powers. The Wizard of Oz story is so representative of how life is for Satan's world. No wonder it is the programming base for so many Monarch mind-controlled slaves. The solution to Satan's control, was that the disciples of Christ would be so united in love that the world would see the solution. "That they all may be one.. that the world may believe."

For the Monarch slaves, the therapists have wanted integration. For the world, Christ wanted integration. But there are formidable spiritual strongholds which divide us. These spiritual strongholds are far stronger than most Christians can imagine. The heartbeat of the Body of Christ is to bring all humanity to their Creator God. This can be done by breaking down all the lies and programming that separate the parts of the Body of Christ so that those of Christ are so well integrated in love and spirit that the world believes on the power of Christ.

Each of the programming acts has a spiritual, mental, and physical side to it. The slave has his or her will stripped from them so it becomes unnecessary to think in terms of their guilt--they are slaves who no longer have the freedom of choice. If they kill, or steal, or tell an untruth (lie), they have not done it intentionally.

Still the Programmers know that there are spirits involved to spiritually prepare the slave to do these acts. For instance, they implant Spirits of Greed and lust into the victim. An Illuminati value system is drilled into the victim. Any person who is not taught to dedicate personal rights and possessions to God, will end up with all types of surface forces such as insecurity, worry, anger, envy, jealousy and tension. This goes for multiples or non-multiples. These surface forces will in turn cause all types of surface weaknesses such as lying, stealing, cheating, and arguing. If these surface weaknesses are displayed by anyone, they are evidence that a deeper spiritual problem exists. However, the slave is not being set up to display these vulnerabilities as they will, but ONLY as they are programmed.

An Illuminati Beta model can have sex only with who her master allows her to have sex with. Nor is she granted the privilege of refusing to sexually service someone. If the slave is allowed free will, they often will reject the life style programmed into them. The reason they can reject the Spirits of Seduction & Lust that have been layered in to insure that these moral weaknesses exist, is because the will of the alter being programmed was being coerced. There was duress involved. Satan has some claim, but not the stronghold that comes from those whose active will is involved in a sin. That doesn't mean that some slaves don't develop a taste for their perversion. The point is that the ability to have these personality weaknesses, should the programmers want them, can be spiritually set into the slave by teaching the slave to resist the grace and love of God. It may be shocking to realize that the slaves are specifically programmed to resist God's grace and love, and to hate Him. This is not left to chance, and is accomplished by a number of events in the slave's life.

Another spiritual area that is tampered with is the self-image of the person. They are not allowed to think of themselves as made in the image of God (unless they are front alters created or allowed to be Christian). Instead of allowing the victim to learn about Jesus, the victim is consistently belittled and compared to others. This is in violation of a spiritual principle found in 2 Corinthians 10:12, "For we dare not make ourselves of the number, or compare ourselves with some that commend themselves; but they measuring themselves by themselves, and comparing themselves among themselves, are not wise." John 5:44 and 2 Cor. 10:17,18 teach how it is to be done correctly.

Fritz, co-author, knows of one programmer who is still programming who is fully aware of these scriptures and how they apply spiritually. When people are not allowed to accept themselves, they end up resisting the will of God. The wrong attitudes are built into the slave, so that they will always resist the will of God. Again if the programmers want a Christian front, they may program the correct thinking into the front alter. To do this doesn't threaten their hold on the system in the least. To have Satanic alters and Christian alters which are diametrically opposed to each other's thinking only insures that if they would discover each other in the mind, that they would reject wanting to learn about the other part, and would go into denial of the part's existence. The programming and mind-control is being linked to a belief system.

Taking this one step further, we can also say that the programming is also a conflict between two faiths, the faith that the alters place when they visualize and create their occult-system, that is their faith in demonism and magic, versus the faith of those who follow the God of the Bible. The method of creating hard-core Satanic alters from traumatized Christian alters is an obvious example of this. Some secular therapists have been slow to admit this conflict. If we look at the Illuminati's brand of Druidism, we will notice that the Book of Pheryllt which is a Druidic book for rituals gives four symbols which can be made to evoke the four elemental forces also called the four basic portals. Visualization is said to be the

key to the occult, and to opening portals with these four signs. As the deeper parts of a slave are drawn into such activity, they are in reality placing their faith in that belief system. How can you take something away, without giving something in return? An alternative faith in a God and belief system that is not connected to mind-control is an important therapeutic aid. You can not hate something passionately if you are unaware of it. When two groups are very similar, in order to high light their individual identity they will have a high level of animosity toward each other. In order to create strong Satanic alters who hate God, the Illuminati actually encourage the young two year old victim to understand and accept the love of God.

Upon this faith in a loving God will be built the rejection and trauma to create wounded alters, who hate God because they feel rejected. Rejection is a tool of Satan across the board in the world. Rejection creates a sine wave of hills and valleys. (The way of the Lord is made straight levelling these hills and valleys.) When a person (or nation) is rejected they will often shift to one of two extremes: either they try to perform to meet up to expectations or they will retaliate against rejection. Both are extremes (the hills and valleys of the shadow of death) of the what resembles a sine way.

8-2.gif

Both rejection and retaliation are tools of bondage. The enemy will work a person to get them to feel either rejected or angry. If either side of the sine wave is latched onto by a person (or nation) they will set in motion a dynamic where they will end up with the other side of the curve. This is because the human mind has an inbred desire to balance things out. If we feel rejection, then we may retaliate or try extra hard to perform. This sets up a BONDAGE LOOP.

The Cabalistic Tree of Life is the knowledge of good and evil--performance. The programmer by repeatedly REJECTING the slave, build into the slave a high level of performance. The slave is not allowed to get angry at the programmer--which is the opposite peak of the sine wave. The human mind will naturally try to balance the performance peak with increasing the anger/retaliation peak to match it in opposite intensity. Because the slave can not get angry at their programmer, they turn this anger inward and upward toward themselves and God. The performance of the slave for the master is a form of false love. Performance love is false love. "If you do this for me, then I'll love you." Christ loved us when we were yet sinners and unlovable. This is the type of godly true love described by Paul in 1 COR 13 which seeks not its own.

Self-preservation is a tool of death. That is one reason Christ did not preserve himself--even though he could have called angels--he wanted to show the world true love. Fear gets its root in death. The threat of death of a spouse, of oneself, of one's dreams, of one's identity, or of one's fleshly body creates fear. Death comes from Satan. Life from Yahweh God. Fear is built on a threat of some kind of death. Self-preservation then is actually based upon fear which is in turn based on death. This is why Christ said one must lose their life to gain it. To escape the satanic bondage loop of self-preservation built on fear, we must reach out for the love of God. Self-justification is not normally seen by people as a bondage loop, but it often is. Only the sureness that Almighty God loves us gives us the strength not to get caught in the self-preservation tactic of self-justification. There is a place for defending the truth, but it must be done in love. Christ and his disciples taught that we are justified by faith in God--not by self-justification. Self-justification can easily be related to the self-preservation bondage loop. We simply have to have an inner knowing that we are made in the image of God, and that He is working in each of our lives. Since we are His work, He will justify us. All of the Monarch slaves, are a work of God. The cult has simply refashioned what God created. The slave needs to recapture the loving view God has of what He created. God doesn't make mistakes. He has placed lots of beauty and value in each person. Each person is His handiwork, isn't the human body fearfully and wonderfully made?

After someone has been made to participate in crimes against humanity, the Programmers intuitively have created a situation where the person may fall into self-justification, for example, "They deserved to die." This is a subtle, but dangerous tool of bondage. Much of the trauma-based mind-control is based on simple fundamental spiritual life-spiritual death issues. The Spirit of the Lord does not give fear. It comes from the enemy. Abductees, who claim to have met aliens, claim that the aliens feed off of human fear. Fear brings spiritual death. To show this dynamic in another way, let's describe a common thought for alters of Monarch slaves. This thought is "If I stay with the programming I'm safe." This is the same thought that society in general is taught via fear of self-preservation. "If I stay with the crowd, if I stay with the system, then I will be safe." This is why peer pressure, which seems safe, can lead many young people into death. All this fear of self-preservation by remaining in the programming (whether individual or societal) will be transferred to loyalty of the AntiChrist--that is the plan.

The Truth shall set you free. Anytime we reject the truth for safety and peace because of our fear for self-preservation, we accept a lie. If the truth sets a person free, then by definition, slavery means to "not to have truth." All lies lead to bondage. They create strongholds. Many religious groups are built upon a collection of truths and lies. The truths are used as the enticing attractive front, the lies are used as the enslaving bondage. This is why there is almost no end to all the lies used to program Monarch-type trauma-based total Mind-controlled slaves.

An important mind-control programming dynamic is the creation of images. This will take some explaining. One spiritual dimension of humans is that we like to behold our God. This was built into us. Archeologists have noticed that ancient man has always worshipped. It is built into man to worship, and we like to behold whatever we worship--whether that is God, ourselves, or some other image. In other words, worship is image oriented. This is the power of images. One of the most ignored commandments of God, of which Fritz wrote a book about in 1977, was the commandment God gave "thou shalt not...make any likeness of any thing that is heaven above, or that is in the earth beneath, or that is in the water under the earth." EX 20:4

Students of God's Word are warned to "examine everything carefully; hold fast to that which is good." 1 THES 5:2 1. What is significant is that God's commandments in Ex. 20, which were a distillation of His laws, could have simply stated "Thou shalt not make any graven image", but instead went on to make a big issue in that same passage about any image of God's creatures (the word translated "things" has historically been understood as "living things.") In DT 4:15 "pasal" images--that is images formed out of any material with a tool (ax, chisel, or engraving tool) and the "likeness of male or female" and "similitude of any figure" are forbidden. Next, it again forbids the likenesses of living creatures. The word "image" occurs about 100 times in the Bible, and is usually accompanied by judgements such as "I will cut down. ..destroy...break down...smote." In a number of verses (EC 7:20, PS 106:29, 39), the scriptures speak about how man is always seeking inventions that provoke God to anger.

The creation of images of many varieties was a big part of Egyptian magic, and still is. Because the creation of images is so esteemed today, a balanced view/discussion of the spiritual ramifications of images (& their creation) is a rare subject. "For the invisible things of Him, from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse." RM 1:20. (cf. ISA 6:3) One ex-Programmer has talked at length, that part of the motivation for the many programming images, is so that they can establish a world built by Satan, because they want to insure that there is no testimony about God's power. (By the way, some deliverance ministries are having success in helping heal victims by pointing out that Satanic programmers only build from elements God has already created.)

Mirrors, and lots of them, are important in occult programming because they make images. They create so many internal images one doesn't know which way to go. Images are lies. We often create false

images of the people we want to love. Do we love them or their image? Movie stars are loved for their image, and rarely for who they really are. Some of them have acknowledged that they don't feel loved by their fans, because their fans are only worshipping an image. Again, we must remember THE TRUTH SHALL SET US FREE. What is our real identity? Who are we really in God's eyes? Why did He allow us to be born? What was His real purpose for us? These real questions which are so hard for so many of us, are the reality that we need in our lives. The bondage of images has yet to be understood.

The word "duplicity" is based on the word duplicate. Machiavelli taught the elite how to rule through duplicity--that is to rule via imitation images. This is nothing more than one of the operational principles of mirror images placed within the Monarch Mind-controlled slaves. Whatever gives life is duplicated in a mirror image by Satan. Life swallows up death, as the Kingdom of God's genuine light gets progressively brighter. The copy of this is that performance must get progressively better--i.e. technology must change to get better if we are to have life. The Amish show that society's penchant for technological progression, does not improve life. The Amish have a very successful life-style free from divorce and crime. Missionaries to Africa have come back at times wondering if the primitive tribe they spent time with didn't have many things which our technologically advanced society had lost. This doesn't mean that an invention won't help mankind--it is that mankind will not get life from technology. Technology must be understood in the entire context of life. If a person catches onto the lie of technology or performance, they may try the opposite lie--platforming. Many troubled people reach out to God, receive help, and then platform by saying, "Thanks for the help God, but I'm O.K. now." God's love is not performance-based, but we still need to continue to press toward the mark of the high calling of God, transforming and renewing our mind, ever growing spiritually. Things which do not grow are labelled dead. How do we grow without being performance oriented? That is the message that Christ tried to bring people. The programmers get their slaves caught in a performance loop. The slaves are not going to get freedom, if a minister of some church traps them into some religious group that is performance-based, rather than unconditional godly-love based.

It is sad to see victims of mind-control free themselves at great cost, only to run from one controlling group to another. If we neglect to look at the spiritual dimensions of mind-control slavery, we then are neglecting to see some of the elements of total mind-control slavery.

In Summary, Some Of The First Things Attacked

What is often the first thing which is attacked in individuals and nations in order to control them? It is their sense of identity as a spiritual moral being. Both individuals and nations are targeted to destroy their ethical self-respect. The individual and the nation must be brought to think of themselves as animals. Another primary tactic or tool is to traumatize the victim who is to be controlled, and then provide relief when a demonic lie is accepted. Rejection is an important trauma, because it creates a desire for performance and retaliation, and gets people trapped in a bondage loop. Lies put people into bondage. Images are a type of lie, that lead to bondage. This is why so many images and lies are placed into the Mind-controlled slave. These images and lies are inherently bondage-makers. Fear and self-preservation are grounded in death. To preserve ourselves, we will allow ourselves to be enslaved. (Eventually, Mind-controlled slaves and society in general in order for peace, safety and self-preservation will transfer their allegiance to the master programmer, the Illuminati's AntiChrist.)

Part C The Dehumanization Process

The dehumanizing of a multiple--that is of a fragmented personality--is done to most of the alters, but the front alters are allowed to be human. Because alters take on the characteristics of what they were created from, the front alters have to be some of the first splits so that they have a sense of family and that they are human. That does not mean that the first series of splits can't be dehumanized later--they are, they are

turned into gems (crystals).

How do you make an alter into an animal alter? It may not be quite as difficult as some may imagine, because they can create alters with "clean slates"--that is they are the plain tablets that Dr. White (Dr. D. Ewin Cameron) prided himself that he was able to make out of adult minds. When a part of the mind has no reality to reference, and is tortured and told lies, then it will accept what the programmer says is real. When an alter is created via torture, if you want a cat alter, they will have the child tortured in a cage surrounded by cats of some type. The new alters will be told they are cats. Their programmers will actually kill a little child in the worst way in front of these alters and tell them that that is what happens to little girls and boys. Do they want to be a little girl? No. After watching the horrible things that happen to little girls, they do not want to be little girls or little boys (as the case may be). They want to be a cat, because as a cat they will not be killed and tortured like the children. The alters are forced to eat like cats with cats. They are repeatedly shamed and degraded and repeatedly told they are cats. Lie detector Instruments are hooked up to the child to determine if the alters actually believe they are cats. When the alter can actually state, "I'm a kitten." or "I'm a tiger." and pass the lie detector test, then the programmers know they have succeeded.

But what if the mind resists being told it is a cat? As long as the child is a girl it is given faeces to eat. But the cats are fed wholesome meals in front of the victim. The little girls in the other cages are dirty and tortured and ill fed. Do you want to be a little girl? A great deal of simple torture is applied to make sure that the correct answers are given. If your life depended upon saying you were a cat, you'd be a cat too.

Further, children have a vivid imagination. Normal children can easily role play, and they can easily imagine they are something they aren't, because their personalities and egos have not solidified. Again nothing is left to chance. A fake blood transfusion of cat blood may be given the child. Very often high speed films of kittens playing and having fun are shown in one eye, while the other eye is forced to few little girls having to undergo the worst of tortures. This viewing is forced upon the child, as its eyes are held open and the child is strapped into a viewing chair.

The dehumanization process will make alters into various types of birds, cats, dogs, aliens, horses, earth elements, gemstones, rocks, and countless other items. They will then place in back up programming to insure that the alters continue to believe they are not human. The ingenuity of the back up programming to ensure that they continue to believe the lies are extensive and ingenious. A great deal of hypnosis, and drug induced states, and drug-hypnosis is used to carry out the dehumanization process. The programming will be reinforced by a cat alter's environment, because the alter's handlers will always refer to them as kittens or other types of cats.

The painful rape of a child with its legs held in a butterfly configuration is used to get butterfly alters. To get a puppet, the body is given a drug which paralyzes the child. Then electro-shock is applied to certain muscles upon the command of the programmer. The effect is that the child has no control over his body, and the programmer can make the child's body parts jerk and move by electro-shocking the muscles. The child actually becomes the puppet of the programmer. This is a very powerful program. One of the names connected with Monarch programming is Marionette Programming. The child literally becomes a Marionette. This concept appears to have been cooked up by the Germans under Hitler. An alter System as a child is physically shown that they are a marionette puppet. Their muscles are electro-shocked in such a way as to take advantage of the natural reflexes. When electro-shocked that way, the victim's body parts jerk out of our control at the whim of the programmer to prove to the victim that they are a puppet. At this time, the rules are given and rule number 8 is that the alters are their puppet.

Illuminati programmer Dr. Mengele, used puppets in a dollhouse as he programmed. He did skits with

his puppets. "Dance Marionette dance," he'd say in his thick German accent. Pinocchio's story was used to name the spirit guide Jimney Cricket.

Along with rule no. 8, he taught the following rules at this point:

1. Listen to your instructions
2. There is no room for error
3. "The Game Timer"--these were the specifics of how to move, the melted mirror, etc.
4. There is a chain of command, the King's men
5. Your Master would chart your course
6. You will receive orders, what to do, a memorized script to follow and fulfill
7. The Creator and Master would always own you into infinity
8. You are puppets on a string. "Dance Marionette dance. You are to speak only those words told to you, and to only speak those words when your string is pulled
9. There is no room for questions
10. The controller always plays the role of the White Rabbit.

Dark side alters of a System are taught to know these rules as part of their being. Dr. Joseph Mengele (known as Dr. Green) carried a violin, which was used during programming. He programmed slaves to respond to the key word "Fiddler".

During programming, the victim will be made to believe that all their insides have been removed and tape recorders placed into them and surgically hooked up. To the child being programmed this is real. This is part of the dehumanization process to protect them from spiritual growth and freedom. The programmers' dehumanization parallels what is done in the army when the drill sergeant yells at the new recruits names such as "maggot" and "worm".

Porcelain Face Programming

The Porcelain Face Programming was already touched on earlier in chapters 2 & 7 when the fire tortures and Gatekeeper alters were written about. Fire torture and melted wax is used to make the child victim believe their face has been burned. Then the programmer generously gives the traumatized alters a porcelain mask. The alter getting the Porcelain face may be given a "gem" hypnotically like Jade and that becomes their secret name. There are several different methods that are available to lay in the porcelain face programming. There has been a great deal of porcelain casts made of people's faces and then masks made of them. In fact, when a handler dies, at least in one case the replacement handler wore a mask to look like the previous handler. Human baby skin is used to construct a mask from the victim's facial cast.

A mask is worn by the Illuminati victim when they are married to the AntiChrist. The Porcelain Masks are often part of the Camelot & Shakespeare programming. Another use of porcelain masks which was only experimented with was to place masks on Pawn alters which were used as alters who would guard things by scaring other alters with their fearful porcelain countenances. This programming has spiritual ramifications, because it is one of the programming methods to steal alters of their faces. The alters

getting porcelain face programming will only see a porcelain face in the mirror until the programming is taken down. As long as the computer on their level is operating the programming to that alter will be intact.

Hearts Of Stone

The programmers leave no stone unturned when they strip the alters of a system of any vestige of humanity they might have. The programmers make the alters believe that the programmers have surgically removed their hearts & replaced them with a stone. To reinforce this programming the victim is hypnotized to fall into a deep trance if at any time the victim's deeper alters are hooked up to anything monitoring the heart. If and when someone tried to prove that these alters have a heart by taking their pulse, they may be surprised when these alters trance deep enough that the machine doesn't even read. This is how the programming keeps the lies safe from exposure.

The Programmers will hypnotically take the hearts for a number of reasons. One is blackmail. They will promise to return the hearts, if the victim obeys, returns home to the cult when needed, and is present when the Anti-Christ needs the victim. It is doubtful these alters would get their hearts back by their cult considering all the false promises that are typically made. The Programmers will give the hearts to a queen mother alter for safekeeping. They may be hidden somewhere like in the Temple of Molech. The Temple of Molech in some survivors is used as a depository for memories of child sacrifices. It is not a place any alter could or would want to go in the internal world. In return, the Programmers give the victim stones, yes, hearts of stone.

Stone-like protectors will stand guard in the background. Their voodoo doll appearance reflects the voodoo images that are built into Monarch Internal Worlds. By removing the victim's hearts, it removes any chance that dark alters would have a soft warm spot in their heart for anyone. They will be told that they are incapable of having friends or of loving others. This is quite effective in separating these alters from others. That isolation is a part of the mind control. Because the alters believe they have no life source within themselves--that is no heart, they have to look to their master. If the master places his hand upon the victim's chest they may feel alive. Because people need a heart to feel, alters are programmed to believe that they are incapable of feeling and have no feelings. They can not cry during their own suffering, and are encouraged to feel incapable of caring for the suffering of others.

In spite of all the brutality and isolation of the programming, the alter's humanity will lay in the background, but whether alters will ever acknowledge that humanity is a big question. If people ask these heartless alters to give their hearts to Jesus, they may be told that they don't have one. In all covenants, something is given to the cult. In this case the victim's hearts are (hypnotically) given to the satanic Master. There is a Keeper of the Seals who keeps the items given when a vow or covenant is made. If a person is a traitor to a vow, then the cult has an object to carry out voodoo or magic upon to punish the person. Monarch Mind-controlled slaves know their orders, and are locked into obedience.

Hypnotic Surgery

After the Programmers steal the deeper alters' hearts, their identities, their free will, their real families, and their faces and their humanity, they are kind enough to sew back into the victim's chest via hypnotic surgery black stones. They do all this surgery by hypnosis. Via hypnosis, the Programmers can heal the victim's wounds after they torture the victim. They can basically make or remake reality to be what they want.

Part D Fear

The thing that stands out so vividly for those who have met victim's who are in therapy is the Spirit(s) of Fear that control them. Waves of paranoia roll back and forth through the alters. Everyone needs to bear in mind, that the programmers were sadists, and they didn't get satisfaction from their programming until they could see raw terror in their victims. The primary vehicle for programming was the raw terror that is repeatedly instilled into the victim. To achieve total terror, the sadist programmer gains total control over every aspect of a person, their thoughts, their bowel movements, their life, even the power to commit suicide is stripped from the victim. Nothing that originally belonged to the victim is left untouched.

A realistic fear of most victims, is that they will never be believed. Indeed, many therapists are serving the final insult to these severely traumatized people by denying the authenticity of things the victim experienced himself and even wishes were not true. For a victim to overcome their fear to tell, after all the years of programming not to tell and threats not to tell is an enormous feat. Very few victims, ever get to this point. And yet, when they do overcome this enormous barrier, they must face disbelief. Traditionally, the psychiatrists have treated these victims as if their abuse is nothing but psychotic nonsense. How many fleeing victims have been locked up and told they were Paranoid Schizophrenics? The fear of losing one's identity within a coven or religious group, says the Church of Scientology, is balanced out by the structured framework that these groups have. Members identify with each other, because they participate in the same rituals and have given their allegiance to the same idealized master.

Part E The Use Of Guilt, Shame, Ridicule And Anger

The Chinese and police agencies have been especially good at developing methods to solicit confessions. This is done by a variety of punishment and reward strategies, and the Mutt & Jeff routine. Confession and self-criticism have been used by religious groups, esp. the Jesuits as a method to convert persons to and then perpetuate a belief. One of the things that the deeper alters will not be taught about is forgiveness. Because forgiveness of oneself and others is such an important spiritual dynamic, to not know about forgiveness cripples many deeper alters from healing from the deep spiritual wounds they have received. Forgiveness is an act of the will. Forgiveness of oneself is usually a major issue with deeper alters who generally don't know how to do this. However, the handlers and abusers will be sure to heap lots of guilt--whether deserved or not onto the poor mind-controlled victim. It is natural for a person to focus on himself--after all, if a person doesn't think for himself who will?

Often a person accepts their strengths, but focuses on their weaknesses hoping that that weakness will somehow be reduced by the focus that is placed upon it. The programmers know how to take advantage of that. They set impossible standards of perfection, and then demean the victim because they have failed to live up to the impossible standard of perfection.

Black and white thinking develops in the slave's mind. The programmers will not allow the victim to display natural feelings of anger, sadness or doubt. To do so means that one is a failure and weak. Of course they are natural feelings, so the slave has to do a great deal of repression and self-incrimination for having these natural feelings. The slave learns to turn his or her anger inward. Many of the male slaves end up committing suicide. They beat themselves up with subconscious & conscious guilt. Anything and everything wrong or bad in the slave's life is blamed upon him. Of course not all things are meant to be remembered by the slave. Guilt can play a natural role in the forgetting of memories too. If the Monarch slave would remember something terrible, the religious front alters can be made to feel repentant for such terrible thoughts. Then the natural desire to forget can be reinforced by suggesting that the evil memory be removed from the mind. In other words, memories are forgotten because they don't conform to a person's moral code. If good morals are programmed into the front alters, they will take the hypnotic suggestion not to remember what has really happened that they had to participate in. The front alters will only remember a sanitized version. The person may even want to think of the memory as "only

a dream" because the guilt associated with believing the reality of it. If a person is hypnotized to have guilt about something that they didn't commit, then they can be gotten to believe that they did it.

For instance, a false implanted memory of the Monarch slave killing a child may be implanted with the command, if you do not obey we will kill more children and you then will be guilty for not just this child but others. People will tend to justify their abuse by saying "I was bad, I was evil." The programmers take advantage of this natural tendency. Nothing the slave does is good enough or worthy of praise. After they sexually please a customer, they are called "bitch" and "whore" to make the slave feel guilty, when all they have done is follow orders. The whole situation causes the slave to work harder for approval which of course is very tentative and fleeting at best. The Master just keeps control, and sets the standards higher if the slave gets close to reaching perfection. The Master must insure that the slave feels guilty and dirty. Many of the slaves endure a guilt that is common among soldiers and concentration camp survivors--the guilt of having survived when others died. "Why did I live and they die? I was no better than them?"

Any desire on the part of deeper alters to want something for themselves is painted as "selfishness". They will be internally and externally punished for any pleasure. If a sexual alter enjoys a sexual encounter, she is programmed to internally feel some type of severe punishment program. One standard punishment for a female slave who appears to have actually enjoyed a sexual act is to cut them from vagina to rectum, and sew them back up without anesthesia WHILE the slave is forced to watch her punishment in silence without tears or screams.

One form of tormenting a slave is to ridicule the slave as they have to carry out a wretched assignment. Many slaves lose their zest for humor because they end up the brunt of so many bad jokes. Comedians, because they are skilled with puns, and other words games, have often served as handlers or programmers. Bob Hope is the best example of a Monarch slave handler who uses his verbal skills as both a handler and comedian. Bob Hope has a side to him that the public doesn't see. Over the years, Bob Hope has spent millions of dollars on his team of gag writers to keep him well supplied with gags.

Anger

The use of anger is not haphazard. The spiritual ramifications of anger are very well known to the programmers. They know that anger opens up spiritual portals for demonic activity. Remember, chapter 7 on structuring explained how the programmer purposefully push the victim almost to its breaking point to get angry alters. The use of anger is seen in a number of different areas of programming. The Gatekeeper alters will be depressed and angry alters to insure that they remain good portals for demons. Gatekeeper alters function as Gatekeepers in several different capacities. Gatekeeper alters will be found to the whole system, often on the second level (section) down. Gatekeeper alters will also be found guarding important sections like the Carousel and Castle.

In review, Anger toward God, anger toward the outside world, and anger toward themselves are all built into a System. Where was God? Where was the outside world, when all these things were happening. Many, if not all, of the victims of Monarch turn their anger on themselves, which is the only safe place to vent it. Most of the deeper alters of a Monarch system will have very low self-esteem and will have lots of guilt and anger toward themselves. The slave is victimized so much, that when their handlers give them the chance to victimize someone else, some victims find release in assaulting others. Of course the entire process of transference further entraps the victim, and provides more guilt and more debilitating spiritual dynamics. The slave may be given the power of life or death over others, as well as the power of deciding another person's eternal fate. Sometimes this power is addictive. This addiction can be a trap that binds the slave to his source of power. The power that the Illuminati give their slaves is one of the major barriers preventing deeper alters from moving toward freedom when their systems have a chance.

Slaves also turn a great deal of anger in on themselves.

The self-image of most alters in a System is extremely low. The anger that alters have becomes a tool of the handler to insure that the slave never thinks highly enough of themselves to do anything about the control over them. An example of this is Monarch slave **Loretta Lynn**. Loretta Lynn's handler is her husband Doolittle. Although Loretta has worked (slaved) very long hard hours she credits Doolittle for all her success. Her programming allows her only to give him credit for her successes. In her "autobiography" [Loretta Lynn A Coal Miners Daughter](#), which was written by a professional writer who sat down and worked with her, Loretta says on page 63, "In a lot of ways, it was good for me to marry someone older than me [her husband Doo was a WW II vet/satanist who married her when she was 13], because I could learn from him. But, in another way, it wasn't so good because I went directly from Daddy to Doolittle without ever being on my own. Even today, men are telling me what to do. My husband, my lawyer, my accountant, my personal manager [Ken Riley, her road manager has been her mind-control handler, and Alex Houston & Reggie Maclaughlin have done some of her recent programming]. In a sense, I still don't have complete control over myself. Maybe I never will. But if it wasn't for Doo [her nickname for her husband & handler], we wouldn't have what we have today."

Anger within a System can be dangerous, when one alter directs its anger toward another alter. Sometimes one alter will try to kill another alter. Actually, this happens more often than one might imagine. If the alter succeeds of course, the body will be dead, with the resulting consequence that everyone dies. The programmers enjoy seeing this type of drama, but they don't want it to be carried out to its final conclusion, so they generally, if not always, have alters who can step in and take the body and stop this. If the alter system can't, then alters who understand what is going on can call their master for help, and the master can once again show how dependent they are upon him for life. This is the "divide and conquer" strategy. The divide and conquer strategy is used repeatedly in constructing an alter system.

Part F Teaching That The Master Is God;

The Programmers Set Themselves Up As Gods

The Programmers and the Handlers are setting themselves up as gods, or Almighty God, or as a being from a superior race of aliens, such as Koldasians or Pleadians. Interestingly, if one listens, these different alien races make conflicting claims for whatever good the earth has. However, those of us who have followed the Monarch programming know that these aliens are just men who do the Programming.

Time-life Publishers (owned by men in the Illuminati) subtly gave this away in their book *The UFO Phenomenon* when they referred to UFO abductions as "the Oz factor." They go on to say that its like Dorothy in the Wizard of Oz on page 71. Then they go so far as to reemphasize the point by showing a picture of Dorothy in Oz.

In the TV series on aliens & UFOs called the "X-Files", they begin a show with an "I love you-I love you not" Monarch programming script. Often the Programmers tell the alters which they have created, that they are their Creator and therefore their God. In a spiritual sense, they took the place of God in every way, including attributing the scriptures about God to themselves. This works well for Illuminati alters, because they are indoctrinated that all humans can be divine. It also works well with non-Illuminati alters as long as they are under mind-control.

However, the actions of the handlers are so ungodlike, that should the programming break down, and the alters get a taste of reality, these lies soon are transparent. The lies that the handler is an alien are much harder to refute than the lies that the handler is God. The trend appears to be for the handlers to refer to themselves as a superior race of aliens. Most if not all of the people seeing aliens, are really just being

jerked around by their handlers. This doesn't mean that aliens do or don't exist. It does mean that those of us who have been working with people who have alien contact experiences and who understand Monarch Mind-control have only seen people obviously under mind-control. Fritz has yet to meet someone who has had an "alien contact" who wasn't under mind-control.

In 1992, a book *Exposing The Mystery of Iniquity* was started by Fritz Springmeier showing the connections between so called "aliens" and "demons." Is it coincidence that the demon Sir John Dee conjured for his enochian magic looks just like a small grey alien pictured so often today? People who have participated in high level Illuminati ceremonies speak about guardians which are nephilim (half human-half demon) which are the offspring of mixing humans with demons, and who look like the variety of "aliens" that are so often reported. The subject of nephilim and whether aliens are or are not visiting us is too vast for this book. However, these nephilim guardians are perceived as real by Illuminati members, and they strike incalculable fear within the members of the Illuminati.

As one of the big sources of fear, the guardians take their place as part of the control mechanisms to keep slaves in place. Polls taken by others, have found that 100% of Satanists have had a experience with UFOs, and report some type of "alien" abduction. (The Programmers & upper level hierarchy don't get themselves in polls, and the lower levels are all programmed.) The point is that there is a close relationship between UFOs and the occult world. On the following page are some of the more respectable scripts that persons, who are victims of "alien abductions" see in their heads. Signs of MPD were visible in each of these cases, and these abductee are placing their wills at the command of these "higher beings". Their wills are subservient to the will of the "alien". They receive messages in these scripts in altered states of consciousness. Some of the scripts are blatantly satanic magic scripts and sigils, but the majority are blatantly of human design.

It stretches the imagination that most alien scripts would have a language and script that matches the English alphabet, with the same letter frequencies of English letters--that is "a's", "m's", and are found in abundance. It stretches the imagination passed the breaking point to think that aliens light years away with different vocal cords or whatever they have, evolved a script that corresponds to English, when our alphabet doesn't correspond to Greek, or Sanskrit, or Ogham that closely.

Quite a few abductees have the "aliens" give them more complex versions of their "alien script" as they get older. The simplified version is received as a child, and then it evolves. It appears that there are now numerous programmers, who are simply concocting made-up scripts, and hypnotically telling their poor hapless victim that the script is alien. In this respect, these scripts are really codes--not "alien scripts". They are full of what are called follows.

Follows are symbols that are similar to one another, which are a variation on a theme. Test results have shown that made-up scripts have many more follows than an actual real historical script. The occult world are teaching that the Akashic record of all recorded information lies somewhere in the essence of space called the reticulum dei (the network of God). The mind-control victim, who actually gets his automatic writing and his information from deep in his system, is led to believe that he has gotten it from the Akashic record. [Click here for picture](#)

The spiritual dynamics of the Programmer setting himself up as God are far reaching. The spiritual world mirrors the physical world. In the physical world, in biology, researchers have found that chemicals that resemble other natural body chemicals can be substituted in for those original chemicals with far reaching effects. For instance, anti-histamines do not destroy histamine, they resemble histamine enough that they steal the places that histamine molecules attach themselves to cells. Because the histamine molecules have had their attachment places stolen, they can't interact with the cells. Within the spiritual realm the very same thing happens. The Anti-Christ is less of a Christ destroyer as he is a Christ

replacement. True spiritual power is replaced within the world by the religious spirit. Within Christendom, the religious spirit has replaced much of the positions that should have gone to true faith. Therefore the power of true faith is destroyed by simply being replaced and its position usurped. The foundation for the religious spirit are fear and pride, which are also foundational pillars for the Monarch programming. The religious spirit can be detected when someone reads an admonishment and can apply it immediately to others and not to oneself. When a person sins, for example Eli in the book of Samuel, the religious spirit will propel them to make a sacrifice to cover that sin like Eli did. However, that religious zeal to cover sin by doing good and giving sacrificially of oneself, stems from the religious spirit not the holy Spirit of God (See 1 Samuel 3:13-14). Religious zeal done to cover sin is not accepted by Almighty God. Eli's sons "despised the offering of the LORD" (1 SAM 2:17).

One of the outgrowths of SRA upon the Monarch victim is that they will generally exhibit black and white thinking. Black and white thinking is actually an element of the religious spirit, which in spiritual terms pervades the Monarch victim. The Monarch victim's system is set up to usurp true faith. Something has to replace true faith, and the religious spirit is a good substitute. Perfectionism or unloving idealism is part of the religious spirit. This perfectionism will demand that if a person can not be perfect, they should give up. The holy Spirit of God gives hope. The religious spirit destroys hope by demanding more than people can give. As long as people are travelling the journey of seeking God, they don't need to have arrived to perfection. Idealism wants people to be at the destination at once or not start the journey. This religious spirit has stopped many victims of Monarch programming from moving forward to real freedom. It is a very powerful type of spirit. Many people are waiting until they are perfect to help minister to others. Sadly this is an outgrowth of the religious spirit. We do not need to be perfect to help others.

The following is an actual account: a Christian man who didn't understand mechanics very well stopped to see what he could do to help an elderly couple stranded on the road. The car miraculously started for the Christian and he was able to have the couple follow him to a repair station at the next town. But the attitude of the Christian was to make himself available to God--not that he was going to fix someone else's problem. The couple was sure they had been visited by an angel. What is being discussed is how setting oneself up as "a god" or "God" is part of the religious spirit that attracts itself to so many of us. One of the attributes of the religious spirit is that it will notice what is wrong in a person rather than discerning what is right. Unless discernment is based upon love, discernment will be warped. Churches caught up in the religious spirit have mercy on the things that are abominations to God. Likewise, they show unwarranted mercy on the actions of ministers who have mercy on things that are abominations to God.

One of the best examples is the religious front this book discussed in detail in chapter 5. Billy Graham, a Monarch slave handler, is on public record endorsing Mao-tse-tung's teachings, abortion, salvation through witchcraft, the One-World-Church in alliance with the world's political power, and many other things. Quite a number of Freemasons, ex- and current members have stated that Billy Graham is a secret Freemason, however, his staff denies this. The religious spirit has run a campaign to cover up Billy Graham's personal use of prostitutes, many of them Monarch kittens. And some of these Monarch kittens have been able to reveal the facts of their abuse. Billy Graham is a "prophet" who works for the Network. The point is that churches turn a blind eye to these things. Fritz has tried to approach ministers about these things, and there isn't an open ear. By the way, Almighty God still can step above what Billy Graham is and work in spite of it. Satanists can infiltrate the highest church positions, but they won't stop good from eventually conquering evil, and God's will being done. When we write "God's will", please understand that God has several types of will, including a conditional will, and an ultimate will. His conditional will is let men have what they want. His ultimate will is to see His creation be a wonderful paradise.

The religious leaders in Jesus' day got rid of true prophets. The religious spirit today will do the same. The religious spirit causes people to flagellate their backs with whips. A Russian branch of the Illuminati, called the Skoptsi, are famous for the self-inflicted tortures including castration that they carry out upon their bodies. The religious spirit causes people to have self-abasement for the wrong motives. Discipline and faith are worthy things to have, but not if they are done out of only love for oneself rather than also love for one's Creator. This is why satanic alters have such a hard time seeing what Christianity has for them. They see the religious spirit of Christianity and they realize that Satanism has a more powerful form of religion. Satanism is based upon legalism (the rituals have to be exactly so), and upon pride and fear. To make an analogy, the religious spirit is like a man or woman who dresses to get compliments rather than dressing nicely to please their spouse. In other words, the man who wears something that offends his wife (because he wants other men to think he is macho), has a similar motivation as the religious spirit. The author of the religious spirit is Satan, the author of death.

God wants people to choose things which are excellent and make their lives count for eternity. On the flip side, the programmers, who worship & serve Satan in their invocations, murder their victims in 4 ways of death-- mental, moral, spiritual, and physical death. They program 4 types of ongoing suicide into their slaves. They bring them mental suicide, moral suicide, spiritual suicide, push some alters to physical suicide, and program others to commit physical suicide. They push their slaves into near death experiences--some alters die, and are discarded.

Often, there are "dead" alters within a live System.

a. To perpetuate mental death, the programmers administer drugs, hypnosis, and false philosophies, and programming to wipe the truth out of the slaves' mind. This is mental murder .

b. Resistance to evil is the essence of life.

By requiring their slaves to engage in the worst moral impurities, these parts lose their spiritual eyes. This is moral murder. (2 Peter 1)

Part G Portals And Focal Points

Within the occult world, the entire study of demonology is wrapped around the geometric shapes that serve as focal points for demons (such as made by crystals and pyramids), and the portals by which demons can enter the human body. A demon doesn't have to be materialized (conjured up) to enter into a body. Geometric shapes which are believed to attract demons are placed into the internal worlds of slaves. The will of the person also plays a role in the introduction of demons into the body. Torture attaches and layers in demons within the body. Sex and blood sacrifices are used to attach powerful demons. According to high level demonology, certain powerful spirits can only be manipulated if there are blood sacrifices. This may seem strange, however, the record (evidence) bears out that generational victims of possession who have had demons placed in via blood sacrifices are definitely controlled by more powerful demonic forces.

All of the chakra points, and the orifices to the human body serve as portals. Both the Illuminati and Christian deliverance ministries agree that the mouth, ears, nose, anus, etc. are portals. High influxes of demonic energy into the body is accompanied by a burning sensation. The Mother of Darkness who is assigned to a child who is being programmed has to oil the child periodically to protect it from this burning. The goal to possess someone of spirits, or to be possessed by spirits has been practiced since the early times of mankind.

In Llewellyn's New Worlds of Mind and Spirit magazine June/July 1994, issue #943, they write, "The

golem of Prague is perhaps the most famous example of 'practical cabala'--the use of cabala for magical cabala." Scholem in his excellent treatise on the Cabala has an entire chapter about the Golem. The golem were mind-controlled slaves created by the magick of the Cabala. The Cabala, according to the best Masonic authorities, including Albert Pike in his famous *Morals and Dogma* book is the basis of Freemasonry. By extension then, it is clear that the goal of having a mind-controlled golem has been the goal of Freemasonry, because that goal is the best example of practical cabala.

This is the paper trail that lets us view the secret goals of the secret world of Freemasonry. There are Cabalistic grades within Freemasonry. Sexual slaves were used by the higher and more occult Masonic rites in the 19th century. These sexual slaves were subjected to trances and demonic possessions. They were subjected to all types of perverse magical rituals. The Cabala teaches intercourse with demons. Theurgy is the skill or ability to invoke demons variously called angels of light, genii, spirits of various kinds, such as elemental spirits. Demons come with a price and that price is blood.

Satanism and Luciferianism and other similar cults are blood cults that require blood to be sacrificed to pull in certain demons. For instance, blood may be taken from both the tongue and the genital area and mixed in a certain ceremony to invoke a particular demon. Demons are not bought with gold or silver, they are bought with blood. Some spirits are invoked by placing alcoholic enemas into the child. These children get totally intoxicated with alcohol, some to the point that they even die from the ceremony. This is all done to bring in particular demons. The Spirit Choronzon and Typhon are critical spirits to place into a person for the Mind-Control to work. The Illuminati do not believe the Mind-control will work without the assistance of these spirits. Typhon and Choronzon do the tunneling and the MPD work.

An example of an important ritual to demonize the victim is the **baptism of the child victim to Satan**. Satan may be called Set in the ritual. There are variations on this ceremony, so a victim's personal baptism may vary in some or all of the details. This is actual variation of the ritual done to Monarch mind-controlled slaves: The child is stripped nude and given a purple robe. It is placed inside the pentagram, and an "altar" which is made by a nude woman or child is brought forward. A horse or jackal is inscribed with the inscription "Nebekka" on the neck or forehead. Then the animal is sacrificed to whatever name the group is using for Satan (such as Set or Saman). The abdomen of the beast is split open completely, and the liver removed. The 4 spirits of the 4 watchtowers are invoked. The slave child being baptized is smeared with fat from the dead beast. The Gatekeeper spirit is called by ringing a bell. Then the child is placed into the animal's belly. A part of the raw liver is given to the child and the rest consumed by the group. The child is then baptized in blood. A cut called the Devil's Seal is placed on the child on the left hand, or under the armpit, or on the upper part of the head. This in Cabalism is the Mark of Foundation. The Priest reads out of the Book of Satan and the Book of Names. The victim repeats after the Priest. In this fashion the Priest ritually gives the person a new name. The Dance of Hod (Glory-the sphere on the bottom left of the C. Tree of Sephiroth) is then begun in a circular motion by the cult, to oppose Netsah (Victory-the sphere on the bottom right of the Tree). The Priest of the coven will then dismiss the demon(s) he has conjured.

At times this ritual is done with a child sacrifice rather than an animal, & sometimes it is done in conjunction with another ritual, such as All Hallow's Eve. To empower the Monarch System, special rings which have been dipped in the blood of sacrificed victims, are given to the victim with instructions to wear it faithfully. The rings are used as focal points to insure the continued demonization of the victim. Some examples of this would be a Blue Topaz ring, a Black Onyx ring, or a Diamond ring. Black Onyx is used to capture souls. Whether the therapist believes this or not becomes irrelevant in view of the fact that the deeper alters in a Monarch System are skilled in demonology and they do believe it, and take consolation that their magical powers are never challenged by therapists. These deeper alters will continue to do much of the demonization of the system for the Programmer, and this delegation of this job, means the Programmer/handler is free to focus on other things. Our experience is that when the

Slave Masters within the Illuminati take away the hearts of the alters of a system, they give them a heart of stone and a ring. The ring is important for if they lose this, they think they will not get their hearts back. The slaves will wake up in the middle of the night looking for a ring--but never know what ring they are looking for. "CATCH A FALLING STAR, PUT IT IN YOUR POCKET FOR A RAINY DAY" ties in with this story line. The star is magical stardust. During programming the Programmers use "magical star dust." If the slave loses his/her ring, they are told the Master will never love them. When the Master comes to give his love, then the slave will get to use their magical wand with its star dust. The ring of the Programmer, which has occult power from being used in ritual, is also used as a hypnotic cue. The ring also represents occult power and authority.

Part H Vows And Oaths

The Illum. & generational occult families attach Ancestral & Generational curses (noted about in EX 20:5-6, DT 23:2, 2 KG 5:27, JER 32:18, JER 3:25, LEV 26:40) to the victim. The Programmers create soul ties (intermeshment with others in an ungodly way), including intermeshment of spirits. Sex, emotional dependence, anger and love can be tied to this dependence. The spiritual power of the Communion meal--which is a form of the Passover meal (deliverance) & the Marriage Supper of the Lamb (wholeness in heaven) is reversed by Black Mass's symbolism/bondage. The Moriah & other occult groups attach curses to a person that are brought on by occult involvement. These curses are the consequences of sinful occult involvement. The Monarch programmers force the slave to make blood covenants, contracts, oaths, and to shed innocent blood. Often times the deeper alters feel like they have made these contracts willingly--however, if they could see the whole picture they would realize that they were forced and deceived into accepting these occult practices. To free themselves of these oaths and covenants every alter has to break them, or at least the main alter breaks it for others.

What various witchcraft and Illuminati slaves will experience will be Satan drawing blood from their left hand and causing them to write in the slave's own blood a formal contract entering his service. The ceremony has a lasting impression. Their signature in the Great White Book, which is an important Illuminati document, which has everyone's signature will change color, and they will lose their magical power, etc. This creates a double bind, if they keep the System "safe", they can't get out. They need to understand that greater is Jesus than he who is the world. See COL 2:15 also, which speaks about him triumphing over the principalities and powers.

The Illuminati & the Network keeps books which have the signatures of all their membership, including slaves. They tell the slave that if they ever break a covenant with them, that Satan will cause the signature in blood to turn green. In other words, the slave is led to believe and is convinced that if they ever renege on their vows to Satan and the New World Order, they will be instantly found out. Even the American presidents are reported to be threatened with this type of threat. The "birthright" of a child born to Illuminati parents is to be allowed into satanic coven level activity. Alters which function at coven levels, will be far removed in a Monarch system from Illuminati hierarchy alters. The coven level will also be called the anarchy level and is represented by an A.

One of the early oaths taken by the Illuminati child before the Grand Druid Council is, "Satan the Way and the Light. No one comes to me except through the father of light which is the Anti-Christ. I, [birth name], by my free choice take the following oath. I commit to serve my body and spirit in union with the father of light for the total prosperity and insurance of the victory of Satan and the father of light the AntiChrist. Now within an unbroken circle of spiritual power, understanding and accepting the consequences of breaking the spiritual circle which joins the Mothers of Light (later they learn that they have joined the Mothers of Darkness). with each other and to the father of light. I [Illuminati coven name] with these bonds in place commit to rule within the spiritual union over the principalities of darkness to insure Satan's power and control over the world. I forever take on the seal of the father of

light and commit my eternal life to serve Satan as the prince of peace, savior, and spiritual light for ever and ever. I now denounce the truth of the God, the resurrection of Christ and the power of the Holy Spirit."

Should the person break this vow, they are programmed to remember torture on a cross, which is designed to cause a seizure and heart failure. The Final Vows of a Mother of Darkness or a Grand Master will make these cult alters feel like they are bound and trapped in service to Satan. They are almost always unaware that Almighty God doesn't recognize such vows, and will willingly release them from their evil servitude. The black stone is used in the Mothers-of-Darkness vows. The book of Revelation speaks about a white stone with a name written on it. Mothers of Darkness alters get a black stone with their assigned Queen goddess names written on them.

Those who have been on the inside of Satanism know that oaths taken by occult lodges and satanic cults are at times enforced. The oaths describe the type of traitor's death that is to be carried out. An example of the types of penalty these oaths carry can be seen in the following words, "All this I most solemnly and sincerely promise and swear with a firm steadfast resolution, to keep and perform the same without any equivocation, mental reservation or secret evasion of mind whatever, binding myself under no less penalty than that of having my throat cut across, my tongue torn open, my heart plucked out my body severed in twain, my bowels taken from thence and burned to ashes, should I knowingly violate this my solemn obligation."

The covenants, and vows and threats all work together to keep people in line. Alters within a Monarch slave are conditioned by their servitude to believe that their life is controlled by Satan, who is stronger than God. Where was God when they needed him? And yet many of the Monarch slaves coming in for therapy have had numerous miracles in their lives that have given them the latitude to reach out for health and freedom. If the Monarch alters can not see the positives of what God has done, they will remain trapped in their pabot that night in Transformation of America, p.129-130.)

Working hand in hand with the vows and the oaths, are the extreme measures the Network goes to, to convince the perception that Satan rules. Actually, the survivors of the Illuminati's mind-control were meant to play a big role in helping God upset the detailed satanic script. And because these people sincerely gave their lives to Christ around the age of 2, God will honor that and help them. At any rate, even the informed secular therapist should realize these programmed slaves are in the middle of some power struggles. They are instruments of the Satanic hierarchy to carry out their plans.

The Network goes out of their way to enhance the slave's perception that the occult rules. Along this line, President Reagan insisted the Monarch programmer Michael Aquino wear his black satanic ritual robes to a White House party. (One can read more slave that they are always being watched. This is the "You can run, but you can't hide" programming. Supposedly, the slave is being watched by satellite no matter where they go. For instance, at Offit Air Force Base in Nebraska, an underground viewing room is used to convince Monarch slaves they have no place to hide. There the walls have numerous "satellite pictures" from around the world. The satellites are called "Eye in the Sky." A four-screen viewer pretends to respond to the type-in commands of an air force official who tells the slave, "Where will you run? To the Artic? The Antarctic? Brazil? The Mountains?...We can find you there. There is truly no place to run and no place to hide." This show, which was made to convince the mind-controlled slave of the NWO's prowess, is just a pre-made slide show, it is just theatrics. However, the computer chips they have been implanting into people do give them the ability to track their slaves. And the intelligence agencies do have spy satellites. The NWO is protected from nuclear attack via the Pentagon's C³I (pronounced "see-cubed-eye") meaning command, control, communication & intelligence. An important part of C³I is MILSTAR which is a global central nervous system of 9 satellites and about 3,500 million dollar MILSTAR terminals on the ground. The CIA has among other things, the \$300 million Vortex spy

satellite and a \$500 million Magnum spy satellite which were recently launched.

Part I Layering In Demons

The American Journal of Psychotherapy, two noted psychiatrists and an M.D. from India wrote an article "Multiple Personality in India: Comparison with Hysterical Possession State". The tenor of the article was that in India, the psychiatrists have to deal with demonic possession rather than MPD which is found in the west. They made comparisons of demonic possession in India to the MPD of the west, which are similar but not the same. Later, other articles and letters were written about this article. One of the criticisms was that these Indian psychiatrists were trying to compare their demonic possession to the west's MPD when it was obvious that their cases of demonic possession did not meet all the criteria of MPD. In the experience of the co-authors of this book, demonic possession is not MPD (DID) but it does have many of the same characteristics.

If we understand programming from the Programmers point of view, they believe in both MPD and Demonic possession. From the programmers point of view, they try to create the alters and demonize the alters. Several ex-Programmers have told Fritz that if a person really wants to understand the Monarch trauma-based mind-control, they need to realize that it is fundamentally demonic-based. Both of the co-authors have had to sit through lectures by secular therapists who dismissed Satanism and the occult as simply as an excuse on the part the abusers to traumatize their victims. According to these secular therapists, demon possession and satanic rituals have nothing to do with therapeutic issues, but are merely games and charades put on by the abusers. We beg to differ with this point of view. Programming and mind-control can not be separated from demonology and occult ritual. Even the "alien programming" uses lots of occult symbols, rituals & spiritual programming.

An example of how ritual & programming overlap is the **sabbat ceremony** to insure that cult slaves keep silent no matter what, even under torture. On a full moon sabbat, a large oak tree will be used to hold this night ceremony. A Majic cake, also known as a Red or Acacia Cake is made for the ceremony. The demon seer is invoked using the name Shaddai (one of its 9 mystic names). An unbaptized child, who has been taken from Christian parents, is in the middle of the Pentagram, and a live altar consisting of a woman is used. A magic square called Satar formula is carved onto the child with an Eagle or Rooster claw. The child is turned to the 4 directions and then turned face down toward the east. The child must curse and blaspheme God Almighty. Then its mouth is gagged with a purple cloth. Flesh is cut from the child, and mixed with black millet and given to Satan (also called Sheitan). Prayers in Enochian are said. Incense is lit. The child is now sacrificed to Satan, using the ritual athame (perhaps a black handled dagger), while the child is condemned by the cult to hell.

This type of ritual is to instill fear of talking and praying into the cult members. One of the secret ceremonies to invoke demons comes from The Book of Beasts. It is an ancient ceremony to summon demons. The ceremony begins with reading the Tetragrammaton Elohim, the Creature of Judgement is invoked, as well as the 9 mystic names of the dead. A child is skinned and sacrificed. The Book of the Old Faith is read from. And then the demons are dismissed and a bell rung in the 4 directions. Monarch slaves recall the stench of the demons, and the roar that they make when invoked. To live through a horrifying experience like this does impact the slave, and therapists need to quit ignoring the various impacts that effect the victim of occult ceremonies.

On the flip side, victims of mind-control need to realize that although demonic possession is one of the tools of control, that the diagnosis of "demon possession should not be used to cover up the many other issues involved with the mind-control including body memories, a lifetime of severe abuse, abandonment issues, safety issues, and all the rest of the garbage that goes with having been a mind-controlled slave. These many other issues need to be addressed too. When one of the authors of this book, Fritz

Springmeier, began working with Programmed Multiples, he was told by several independent of one another that they had problems with spirits, which they called Legion, Beelzebub, Asmodeus, Leviathon and Behemoth. Occasionally Hanan was mentioned. After doing some work, false satanic trinities were found leading these Structured Multiple's systems.

Interestingly, other ministers who were working in other areas of the country with Illuminati programmed multiples were finding the same thing. If we comb the rare books of Europe, there is a book in French *Cruels effets de la vengeance du Cardinal Richelieu ou Histoire des diables de Loudun* by Aubin (Amsterdam, 1716, pp. 215 +) and as well as another one, Delacroix, *Etudes d'histoire et de psychologie du mysticisme*. Paris, 1908, pp. 328-344., which tell the story of the Uruline convent in Loudon between 1632 and 1638. This convent plays a role in the Illuminati bloodlines.

What is of interest to us, is that the nuns back in 1632 found themselves "possessed" by demons. These demons made the people act like animals, such as bark like dogs, rave in altered states, go into trances, have uncontrollable changes in personality which they would be amnesiac about. A male voice would appear in a female, etc. The mystic Father Surin, who came and tried to help the convent, himself got possessed for 20 years and had an entire change in personality for 20 years. He wrote that at times he felt like Satan. Seven demons manifested themselves in very different but distinct persons within these nuns. The Catholic priest (an exorcist) could make the different demonic personas take the bodies of the Loudun nun Jeanne des Anges, and her face & body & voice would change from one possession to the other.

These seven demons were Asmodée (also called Asmodeus), Leviathan, Béhémoth, Aman (Haman), Isacaaron, Balaam, and Grésil. They also had a false trinity Lucifer-Beelzebub-Leviathon associated with them. French psychologist P. Janet in 1888 noticed that many of his patients found themselves losing control of their body to what they called a demon who would often be named Astaroth, Leviathan or Beelzebub. (P. Janet, *L'Automatisme psychologique*. Paris, 1888, pp. 440 +.) Reports from other areas such as Germany over the years are similar. Is this mere coincidence? It is stretching the imagination to believe that so many separate incidents have commonalities, and identical demonic entities, and yet are not related in some fashion.

By the way, medieval witchcraft, Rosicrucianism, and the Illuminati have all had rituals where people dress with Cat, Lion, Owl, Cuckoo, and Parrot masks. In altered states, these medieval witches may have actually flipped into animal alters who thought they were a cat or owl, etc., which would account for written accounts by medieval craft adepts that witches would transform into animals.

Demonic possession is getting more and more recognition by psychologists. Some psychologists have discovered that their programmed multiples responded very positively to deliverance of demons, and were able to get more accomplished in a few hours of deliverance than years of psychology. What does this tell us? Well, it is NOT "scientific proof" that demons exist, but it is proof that deliverance can be very helpful. One can debate the exact reasons why deliverance works--perhaps it is merely that the helping person is entering the other person's construct--but the events of successful deliverance strongly indicate that what has happened is an actual deliverance of demons.

Because this book is about HOW the victim's are controlled, and the programmers believe that the primary ingredient in the mind-control is demonology, we will cover demonology. If that bothers some readers, then they need to ask themselves, Are they really wanting to understand HOW the mind-control is done, or simply superimpose and replace the HOW it is done with what they themselves would do? Several times psychologists have been heard saying, "We don't know how the programmers think. It would be helpful to know." How many people are really ready to hear the answer? Recently, one of the Programmers (and names could be mentioned) never got excited as long as his slave was in therapy, but

when his slave got a deliverance, he came totally unglued.

On the flip side, anyone who can read this book entirely to this point and think that Illuminati slaves only have a problem with demons has somehow missed most of the book. The programmers are so demon possessed that people who have worked with them say that the powerful demons within them try to compete with each other for power. Those who have worked with the programmers know how the programmers themselves have been skilled in conjuring demons with a nine-foot circle with magical phrases like "Bagabi laca Bachabe, Lamac cahi achababe,..." Rituals have been performed at the programming sites. (On the flip side, deliverance ministries can send demons to the throne of Almighty God to get instructions.)

One of the first stories read to a slave may be the Jungle Book by freemason & occultist Rudyard Kipling (1865-1936). The story is used to teach the child to have animal spirit guides, such as the bear and leopard spirit guides found in Jungle Book. The main character in Jungle Book is neither animal or human, but in between. Neither world accepts this orphan boy. Slaves are taught that they are not human, but not fully animal, but something that can't be fully accepted or understood by anyone. Jungle Book provides the script for this. A bracelet keeps the boy safe by giving him the power of the gods. The slave is taught to get demonic power from jewellery which is given to them. There are many other features of Jungle Book which are used for the initial programming too, such as the pack of wolves (protectors in the system), snakes in the hell pit, a Boa Constructor snake to guard the castle, the need to pass through the waterfall to get into a wonderful world, a black jungle of death on the other side of the waterfall, castle jewels, caged birds, etc. Later, alters will be told they are the leader of a pack. Via the Jungle Book story used as a demonic programming script, the child's alters are taught that they are orphans with no mother or father, and that they must play and have the animal spirit guides as their friends.

HOW THE PROGRAMMERS UNDERSTAND DEMONOLOGY

Demonology is the key to what the programmers accomplish. Some recent efforts to expose the Monarch Mind Control have portrayed the programmers as very cynical about their "magick". While there may be exceptions to the rule, within the Illuminati, demonology is not taken lightly, but is considered to be the real science of the Sciences of Mind Control. The goal of the Illuminati programmers is stated in their own writings in latin, "Quod superius est sicut quod inferius et quod inferius est sicut quod superius ad perpetranda miracula rei unius..." Meaning that their goal is to achieve the wonders of the "one thing" where "that which is above, is like that which is below and that which is below is like that which is above."

In other words, they take the dark spiritual realm of Satan, as the pattern for the world. This Latin phrase is also used to support astrology, which influences some of the programming decisions. The concept of astrology was created by reframing God's "event markers" as event controllers. While Americans think of 1776 as independence year, 1776 was originally chosen as the most favourable year to reorganize the mystery religions into the formal Illuminati because 1776 consists of 1100 and 666. 1100 is the Babylonian counting system's number for 666. Babylonian Satanism is a foundational part of Moriah's Illuminism.

Some of its bloodlines are descendents of the Pharisees who secretly practiced Babylonian Satanism at the time of Christ, incl.. child sacrifices. It's standard operating procedure in the occult world that what you see is not what you get, double-meanings are the norm. Those students of Monarch Mind Control who do not want to delve into what the Programmers are doing are limiting their own understanding. Most of what the Programmers do is actually spiritually based and connects to their understanding of demonology. Much of what the victims of the Monarch Programming experience will be understood in the context of the spiritual world. Obviously some is illusion. Obviously some is delusion. However,

when the high level programmers teach novice programmers, they will be teaching the spiritual principles you the reader are about to be told. (A few therapists across the U.S.--and their names will not be revealed, have had miraculous recoveries of their Monarch slaves when they addressed these demonic and spiritual issues. These are therapists, who tried the old methods for years, and then in desperation were willing to listen to ex-programmers and other informed people about the spiritual side of the programming.)

Everything in life has a physical and a spiritual side to it. Things in the spiritual effect the physical, and things in the physical effect the spiritual. They are two worlds. The Alice In Wonderland story is highly regarded by the programmers, because it portrays the situation that exists between the spiritual world & the physical world. When people within the physical look toward the spiritual, it is like looking into a mirror. Initially, they will only see the physical world reflected back. But if they go beyond the mirror, they would see a "mirror image" of the physical exists in the spiritual realm. When Christians pray they say, "Thy will be done on earth as it is in heaven." Earth is a mirror image of heaven, not an exact copy, but someday they will be alike, according to Scripture. According to messianic jews who understand the OT well, the ceremonial law is being enacted in heaven spiritually as it's mirror image once was done on earth. When the programming is seen only in a secular fashion, much of its design is missed. What have witches used to see beyond time and space? Mirrors. Remember the witch saying 'mirror, mirror on the wall, who is the fairest of them all'? The idea is magical mirrors, the speculums, which will lead one "through the looking glass mirror" that then allows the victim to magically transcend time & space.

One of the important keys to success with Monarch programming are generational spirits. The cover for this is studies in genetic science. The programmers believe that genetics are important, but the real abilities to program someone come from the generational spirits that are built up in bloodlines. This is why the Illuminati were in part skeptical that non-generational occult bloodlines could be successfully programmed. They have found that they can be (especially with all their high tech equipment), but the best candidates are those with strong generational spirits. The difference could be compared to those who raise race-horses for the Kentucky derby and those who have horses as a hobby. A race horse must have high spirits. The suburban housewife & daughter who ride as an occasional pastime could care less for that quality of horse. The military can produce cannon fodder with the simple mind-control of Basic Training. They don't need sophisticated time intensive mind-control techniques like the Monarch Program for some military positions. Third world children are being programmed to become baseball players etc. But the highest occult avocational positions will be given to people with exceptional generational demonic power.

Within a Multiple you will find duplicates of a particular name. For instance, you may find thirteen Susies. Susy1 may not even be aware of the other Susies. The internal worlds of the Monarch victim are structured along demonic patterns. Within the demonic world the spirit Moriah is not itself in every victim that has Moriah. Moriah # 10,882 may be in victim A, and Moriah # 3,355 in victim B. But the difference is academic because the Moriah in each victim is a member of the same demonic family--the Moriah Spirit Family. They are for all intents and purposes the same spirit. The Illuminati programmers are acutely aware of the generational spirits, who they are, and how they function. The ten commandments warn that a person's iniquity will affect the next 3-4 generations. EX 20:5b. A generational spirit is given "appointment" over a victim at birth. The victim will receive generational spirits from their biological father and mother. Satan can not be the creator of heaven and earth, but he can satisfy his desire to do so, by creating an internal world within the victim, a heaven, earth and hell of his own creation. The armies of spirits which are placed into the infant will cooperate with the programmer and the child to produce the programming. It's like the Father ("Papa" the programmer), son (child) and unholy spirit (demons) work together. The internal creation of worlds within the victim will be the heart beat of Satan.

A Regional territorial commander demon will make weekly rounds in an area, and so the structuring work done with generational victims, combines ideas from the generational spirits as well as the regional commander. The curses and the vows give the Commander the legal right to exercise control over the victim. Within any geographic area, there has been a layering in of demons, much in the same fashion that the programming and demons are layered into a Monarch victim. The most important territorial spirits in an area are the root or original spirits. In the United States these are Indian Spirits. Territorial spirits may contribute ideas as to what will be effective for programming in their area. There are geographic patterns to spiritual warfare. Each area has its deities and spirits which rule the valleys, homes, and nations. These particular spirits exercise power over the local people. The evangelist is not going to progress, unless he understands the spirits that are ruling what he is trying to liberate people from. The basic territorial spirits are the original ones.

In the U.S. these are the Indian spirits. That is why the Illuminati pays such a strong interest in the Indians. The original principalities are the foundation, the bedrock upon which everything else is layered upon. This also is done in Monarch programming. A number of Monarch slaves have Indian shamans and spirits placed in their systems. Upon the original foundation, the newer ideologies are layered in. In Russia, communism was simply layered on top of the original territorial spirits. In China, communism was simply layered on top of the original territorial spirits. This is one factor why Chinese & Russian communism were never alike. Traumas and crises will produce strongholds.

Our understanding of our blind spots is often weak because we use others as our measuring stick rather than the divine word of God. Blindspots & strongholds may take outside intervention in our lives to eliminate. How many of us see that Moroni on top of Mormon temples is a ruling demon? How many of us have realized that the rising sun on Japan's flag is the Sun goddess who is a ruling spirit over Japan? If we go to Hawaii we will see some of the "natives" are interested in Pele, the God of Fire. The volcanoes have been used by the demons to entrap the people to Pele, the God of Fire. One of the things that the author's book Ezekiel 6:3 An Inhouse Directory shows is that many of the ritual sites have occult names. Devil's Canyon may well be a canyon for devils. The names people give geographic areas are important. They show the types of pacts that people have been making.

When the psychiatrist Karl Menninger of the Menninger Foundation dealt with spiritual issues with people in mental hospitals (i.e. he had them ask for forgiveness of sins), he was able to clear out whole sections, and send the patients home well. (His bro. Roy W. Menninger, an Episc., & also a psychiatrist, worked in Boston State Hosp. while in the military in '52-53.) There is a direct tie between much of the insanity today and demons. Spiritual principles should be studied by Christians to understand how demons operate and what gives them entry rights and power. Certain objects and people are focal points for spirits.

Who are the experts? Basically, two types of people involve themselves in studying demonology--those who are involved with performing works of darkness such as magic, or those involved with performing works of godliness such as deliverance ministries. Jesus told his disciples to command the demons to leave. He didn't ask his disciples to let him cast out demons, nor did he ask his disciples to ask the demons to leave. No, the responsibility was placed upon his disciples & they were asked to command the demons to leave. The Illuminati maintain hidden libraries full of ancient treatises on demonology, which they avidly study. Some of the more important demonology books are the Sixth and Seventh Book of Moses, The Black Raven, The Spring Book, The Spiritual Shield. A whole series of magical books bearing the name of Solomon exist, of which the Key of Solomon is widely known. Clavicula Salomonis or the Clavicle of Solomon is also well known.

More and more of the ancient writings seem to be coming to light in these end times, and the hierarchy is getting bolder and bolder in the release of this information. A Cabalistic Jew will study the Talmud until

he is 40 or so, and the study of the Cabala is reserved for the only those who have studied a long time. The Zohar and the esoteric teachings are not taught until late in life.

Opposite the Illuminati, are those dedicated Christians who study demonology, not to invoke demons but to free people from them. Each state in the United States contains a few Christians who understand demonology and deliverance from it. The blood of Jesus Christ (Yeshua ha Messiach) is very powerful against demons. High level deliverance can not be done without angelic and the Holy Spirit's help. The Christian who gets into studying and fighting high level demonology needs to learn the significance of getting God's help. Without God's help, the deliverance will back-fire in the face of the deliverer. Members of the Illuminati are bound in servitude to Satan. One of the strong shackles that bind Satanists to Satan is the high level of demonology they are enslaved to.

How are the demons organized? It is very clear that there are different types of demons, and that they are divided up into different ranks, functions, orders, etc. A great deal of time has been spent by both brilliant Christians and satanic Magicians to chart out the names, ranks, and structure of the demonic armies that Satan commands. One accurate method of ranking demons has 365 ranks of demons, with no. 1 being the highest level of demons. The numbers of top level demons are numbered in the trillions, while the lower level imps are incredibly numerous. There is no shortage of demons to carry out the work of Satan on this planet. These demons are sometimes variously referred to as spirit guides, angels, wizards, ghosts and aliens or a number of other disguises.

Both early Christians and the occult have often divided up the evil spirits under fire, water, wind, and earth. The power of Enochian magic comes from the Watchtowers of these four elements. Some common types of Evil Spirits are: Spirit of the Anti-Christ (1 John 4:3) Spirit of Bondage (Romans 8:15) Spirit of Divination (Ezekiel 21:21) Spirit of Death Dumb & Deaf Spirit (Mark 9:25) Spirit of Error (1 JN 4:6) Familiar Spirit (LV 20:27) Spirit of Fear (2 TM 1:7) Spirit of Haughtiness (PRY 16:18, 19) Spirit of Heaviness (ISA 61:3) Spirit of Infirmary (LK 13:11) Spirit of Jealousy (NM 5:14) Lying Spirit (2 CHR. 18:22) Perverse Spirit (ISA 19:14) Seducing Spirits (1 TM 4:1) Spirit of Whoredoms (Hosea 4:12, and 5:4)

Each of these types of Evil Spirits has a number of specialists. For instance the Spirits of Whoredoms contains spirits which can specialize in the following: A Spirit of Unfaithfulness A Spirit of Prostitution (whether Spirit, Soul or Body) A Spirit of the Love of Money A Spirit of Idolatry A Spirit of Chronic Dissatisfaction A Spirit of Fornication A Spirit of Glutton

The Spirits of Bondage include: A Spirit of Fear A Spirit of any number of addictions (drugs, alcohol, etc.) A Spirit of the Fear of Death A Spirit of being a Servant of Corruption A Spirit of Compulsive Iniquity

These lower echelon demons are too numerous to keep track of. When a portal is opened which gives a particular demon legal access into a body, they move very quickly into the physical body. When a man lusts after a woman, he will open a portal, such as the mouth through which a demon (spirit of lust), shaped for instance like a frog, will jump in through. This demon will then insure that the evil thought will be acted upon. The principalities and powers exercise dominion over spirits. Further, high level Satanists are well aware of all these things. When godly people of faith identify, bind and cast out specific demons, they should practice loosening the appropriate good spirit to take its place.

If we bind a spirit of Bondage, we loose a spirit of adoption. If we bind a Spirit of Error, then we loose a Spirit of Truth. There are 3 powerful satanic covens of 21 persons. They are distributed in Monterrey, CA, Phoenix, AZ and the third in Idaho. L.A. also has a fourth headquarters for the Coven of the 21st Star. These 21-person-covens are made up of very intelligent, powerful persons. These type of covens

attract powerful commander demons. Within the co-author's area, Bend, Portland and Eugene areas in Oregon have powerful covens.

The power of these types of powerful covens will be reflected in the spiritual world. Paul under the Spirit's inspiration wrote, 'while we do not look at the things which are seen, but at the things which are not seen. For the things which are seen are temporary, but the things which are not seen are eternal.' 2 Cor 4:18 The invisible things are more important than the visible. If we recognize this, the Word of God says that this will help us keep from losing heart! 'Therefore we do not lose heart. Even though our outward man is perishing, yet the inward man is being renewed day by day.' 2 Cor 4:16 Spirits are in a sense a mirror image world. They are placed in the victim first. The programming and the images that are built will be built with their cooperation and guardianship.

Spirits are appointed to protect each program and each memory. A spirit commander called a chief executive is set in command of the victim's life. Military command structures around the world are structured on how the demonic command structure exists. Some soldiers have the same function, but are not actually the exact same person. So it is with demons. Victims have their own individual demons, but they are models of what that type of demon is supposed to act like.

The child is exposed to films, books and stories. The spirits interact within the person's mind to lock these pictures in place. The demons in a sense serve as mirrors within the child's mind, reflecting the images the child needs to fix in the mind. As the programmer, child and demons structure the internal world, the demonic spirits will guard these structures. The force or energy behind the structures is the demons. In order to guard things further, demonic castles and temples will exist within a system to guard it. Entire spiritual quadrants will exist, that are entirely spiritual and contain absolutely no alters. These spiritual worlds can not be seen physically. Only spiritual power and discernment can reveal them. In fact, while the normal person uses 5 senses, the Illuminati teach their alters and people in demonology to use 7 spiritual senses. The child will be shown films and stories, but will then be programmed to forget them. However, the demonic spirits will guard these concepts. The core is involved in giving energy toward these spiritual programming goals.

The wilful contribution of energy to these demonic goals must be guarded so the core is hidden. While other children are playing with children, the victim of Monarch Mind Control slavery is being taught to dance and play with internal playmates which are demons. This is to familiarize the child to the spirit world. The child's family becomes its internal world. There are some teachers in public schools and pre-schools that are openly helping children do this. All the time that the programming is going on, the spiritual world stays hidden in the darkness.

Gnomes, sometimes called dwarfs, are one of the four divisions of nature spirits. They know where the gold is within the earth. This is why Joseph Smith, Jr. who was from an important generational occult bloodline which has generational programmed MPDs, did magic to elemental spirits when he was looking for jewels and gold as a young man. In reflection of this, the Gnomes (also known as dwarfs, elves, or minihunes) of the internal world mine the gold and jewels--the programs of the System.

Illuminati programmer Manly P. Hall wrote in his classic book *The Secret Teachings of all Ages* on page CVI, '...there are many types of gnomes evolving through the subjective ethereal body of Nature. These earth spirits work in an element so close in vibratory rate to the material earth that they have immense power over its rocks and flora, and also over the mineral elements in the animal and human kingdoms. Some,...work with the stones, gems and metals, and are supposed to be the guardians of hidden treasures."

The Disney family and the Disney corporations are part of the occult world. While the names Dopey,

Happy, Bashful, Sleepy, Grumpy, Sneezy, and Doc sound like names picked to please children, they are actually the translation from Scandinavian of the demonic dwarfs Toki, Skavaerr, Varr, Dun, Orinn, Grerr, and Radsvid. Note that Disney placed a character with a green mask in a dark mirror, and had in his shows what was called the 'Spirit of the Magic Mirror' which was also called The Slave of the Magic Mirror. The Monarch slaves "most precious programs" are concealed in the ground and are guarded by the gnomes built internally by the programming. These gems have power that is channelled from Satan.

Most of the readers thought Snow White and the 7 Dwarfs was simply a harmless piece of fiction. They most likely didn't realize that it is demonology. An example of the importance of these types of spirits is Findhorn's use of them. Findhorn Institute in Scotland, which has branches by other names in other countries, is like the Vatican of the New Age. It secretly sends out orders to many witches and New Agers. To spell it out clearer, Findhorn, the Vatican of the New Age movement, is one of the channels of communication from the secret Illuminati councils to their people worldwide. The success of Findhorn's community, according to Findhorn is their use of elemental gnome spirits in their gardening and planting.

What is someone who believes in good spirits to do with this information? To recognize that the patterns for the programming are inspired by demons, are held in place by demonic energy and are guarded by demons. The programming can be collapsed upon itself if this demonic "glue" is taken away. But only a few individuals understand the spiritual forces behind the programming. This understanding takes spiritual eyes. If the spiritual is not dealt with, the person can be reprogrammed at will by the demonic entities that still control the victim. This is the "missing piece that has frustrated advanced secular therapists.

Within Illuminati slaves, they will have the All-seeing Eye placed in their system guarded by legions of demons. Within the very eye of the all-seeing eye, the Programmers will place some actual alters. There will also be demons placed within the construct too. The De-programmer must be careful to separate the demonic from the human element and get the alters who are held captive in the eye out. The Programmers do a great deal of mixing demons with alters, and they place alters all over the system in captive or hostage situations so that the System of Alters is literally blackmailed into cooperating if they don't want to hurt parts of themselves. The Programmers do both internal and external blackmail.

Within the Monarch programming, the demons are layered in between the worlds. In the older Illuminati programming, mirrors were placed into the System and the demons were layered behind the mirrors. The mirrors would separate levels within the mind. The demons would protect the mirrors. If a Monarch alter would shatter a mirror, the demons behind it are released and all hell breaks loose in their mind. Therapists who have tried everything for years to deal with the mirrors, have found that a few minutes of correct spiritual warfare accomplished more than years of trying psychological techniques.

In the 1980 models of Monarch slaves, the Programmers began placing a planet of alters, interspersed with a planet of demons, as they would build a solar system. This had the same layering effect as the mirrors. The demons then would be assigned to protect the different levels, in this case represented by different orbiting planets.

Principle demons that are popular to place into Monarch systems are: Æsculapius--the satanic miracle healer, related to Apollos, in the pagan world he was depicted with his head encircled with rays. In order to show pagans that it was O.K. to worship Jesus, the Catholic church put the golden rays of Æsculapius around pictures of Jesus. He is also at times represented as the sacred snake.

Absolom--, Amon--(various spellings) A marquis of Hell, who has the gift of prophecy.

Apollyon - This demon is over the bottomless pit and is described by REV 9:11. Demon of fear and destruction, who may be a deep part of a System.

Apollo--The AntiChrist's father

Astar (Star, Ashtareth, Ashtaroth, Astarte, Ishtar) -Bible students will find this demon referred in many Bible passages including JDG 2:13 ACTS 20.

Balilo-- witch demon, Beelzebub-- Ruling demon

Beliah--the chief demon, with the name meaning "worthless one".

Beliel-- sexual demon,

Bes-- Spirit ruling the dwarfs.

Blackwell--legion demon, upper rank, to divide the mind.

Blood(aka Yahweh Elohim)--dark spirit using God's name & part of Black Mass, conn. w/ early 3-year-old trauma to "locked-up child".

Choronzon--to help with constructing the mind control

Dameon--Dagon--the fish god over water. The fish sign was adopted by elements of the Catholic church to secretly keep Dagon worship alive. The Pope wears the garb that the Pontifex Maximus wore as leader of the cult of Dagon. One system had a water monster named CTHULHU.

Electra--Enigma--,

Geb--voice behind the earth spirit,

Gerberus--Guardian angels--the Illuminati may assign guardian angels called Hafaza.

Javen--double-minded demon Kali--bloody female goddess

Kemosh Leviathan (Seen as a sea-monster, or Tyrannosaurus Rex, or Dragon-like)-This demon runs up and down the spine. Leviathan is related to the Babylonian reptilian God Tiamet (which looks like the Reptilian aliens portrayed today.) Is tied to the double-helix. It can actually be three spirits. Bible students can read about Leviathan in Job 3:8, Job 41:8, 15,22, PS 74:14, ISA 27:1 Lilith--a bloody demon, known as the "terror of the night". The occult story is that she was Adam's wife before Eve, and that her offspring with Adam were demonic-human monsters. It might be worthy to mention that in Druidism, the life-force or energy force is considered to be the Dragon. There are several names for this Dragon including Wyvern, nwyvre, or the winged lion.

Mammon--the demon of avarice

Megamosis--Metatron--Sometimes said to be Enoch.

Moriah-Moloch (also spelled Molech)--The various satanic-luciferian groups that program offer child sacrifices to Moloch, an internal Temple of Moloch may guard the innocent blood of children sacrificed during ceremonies. Historically, the people in Israel sacrificed children to Moloch at Tophet in the Valley of Hinnom near Jerusalem. Drums (tophim) were beat so the cries of the children couldn't be heard.

Mormo- Important demon placed in Mormon Monarch slaves.

Nanna-Nemo--Mormon programming Octopus--blood sucking demon

Orion--placed over Mormon victims, the name Orion is popping out all over the place, Pan-protector of woods Ronwe-Squat--a number of Illuminati Monarchs report that this demon gives them the ability to understand foreign languages, Shu--does internal weather magic

Others incl. - Typhon (program tunneling connections in the mind), Verono, Vultar Val (legion), Pan whose depression sends one Rege (drugs), who sends one to Bacchus(addiction) which then starts a bondage loop.

The Jokers The everyday demons who the alters have to contend with if they step out of line, are the Jokers. Jokers can jump out of the mirrors and drag an alter into the looking glass world. Alters going into the system away from their assigned living quarters end up in mazes of mirrors. The mazes of mirrors can't be broken because demons are placed behind the mirrors. However, deliverance methods work well to destroy the power of these demonic protected mirrors. Many, if not most of the occult world do not view spirits as evil. Illuminati children are taught that these spirits are playmates. Since the child is not allowed real friends, they are happy to have demons to play with inside their mind. One major religion whose adherents publicly seek spirit (demonic) possession--although they again view spirits as being capable of both good and evil, neutral in connotation much like the Greek gods, is Voodoo.

Voodoo (Vaudou) In discussing how trauma-based mind-control is done, voodoo must be included as a component. Many of the Mind-controlled slaves have had voodoo as part of their trauma, and many had voodoo dolls placed into their Systems. When vows and oaths are made, an object is given to the satanic cult or the Illuminati for the Keeper of the Seals to guard. If the vow is broken voodoo magic can be used against the offender by using the object given in the sealing.

Voodooism came from Africa, where it is called Ju-Ju. A recent book [Blood Secrets](#) is the true story of demon worship and human sacrifice by a former JuJu high priest Isaiah Oke, who gave up JuJu magic for the Christian faith. The Basuto in Africa call witches "baloi", the Akans say "obayifo" and the Lovedu say "vuloi". There are different names and variances of magical practices, but what most people don't realize is that these are just different styles of JuJu-ism. The JuJu priests (called a babalawo) will rule the religious/magic lives of an African village. JuJu is satanic, and much of it is kept secret by its high priests. The Priests take blood oaths of secrecy. The West African name for Satan is Esu. A group in Phoenix, AZ claims to be in contact with an alien named Jesus Esu Sananda.

Another word that has come from Voodoo is the word zombie. Many members of the Illuminati go to the Caribbean and South America to attend Illuminati rituals. Umbanda (Brazilian satanism), which is sometime mistakenly called Macumba, openly has satanic rituals on Copacabana Beach. Many of the elite have made their pilgrimage to Copacabana Beach, incl. European royalty and the Pope. There are 7 bloodlines in Umbanda, and a newcomer must join one of these. If Amer. Illum. slaves have memories of Argentina and other Latin American countries, the memories could easily be true. The Illuminati within the Jehovah's Witnesses' Bethel HQ (which are programmed multiples) have used quiet islands in the Bahamas for rituals. In 1958, it is believed (according to 2 partly de-programmed multiples) that it was Andros Is., Bahamas which they used for their rituals.

In Haiti, Voodoo, called Vaudou, is the religion of the majority of the people, about 90% of the people. This is interesting because it gives us an example of what the situation is like when an entire nation regularly seeks to be demon possessed. Possession behaviour in the various black occult groups, such as Umbanda (brazilian satanism), Haitian Vaudou, and the St. Vincent Shakers (also called Zeckeeboom people) is a learned behavior. Candidates for mediumship in Sao Paulo Umbanda are given special training in trance & possession. They use dissociation techniques such as focusing on a lighted candle, or turning the person and snapping the fingers to put people in trance. In the U.S., because demon

possession seems rare to psychiatrists, they have labeled demon possessed people as "crazy". However, in Haiti, an entire nation regularly conducts rituals to become demon possessed. Since the norm is to be demon possessed, it fails to be abnormal behavior. Many of the other labels and explanations that psychiatrists find easy to give concerning demon possession in the U.S. obviously just don't explain what is happening in Haiti.

Some of the explanations given by psychiatrists for demon possession in Voodoo is

a. repressed personality is coming to the surface, b. that the voodoo trance is an act to impress a crowd, c. it stems from hysterical nervous disorders, and d. it stems from psychopathy, neurosis, or schizophrenia

a. In Haiti, demon possession of people can not be a repressed personality because the person being possessed of a demon must behave according to rigorous rules of how each demon is supposed to act. Far from expressing himself, the victim of demon possession tries to personify some mythical spirit whose character on the whole is foreign to himself.

b. In Haiti, most people who go into the demon possessed state are not observed closely because it is the norm for people to become demon possessed. People at the ceremonies may cast absentminded looks at the people being possessed, but the entire scenario gains the possessed person very little attention. Nor does an entire crowd in Haitian Voodoo get possessed, or go into a collective delirium. The excitement is quite varied with the crowds.

c. If explanation c. were true, it would mean an entire nation is hysterical and mentally deranged. 40 years ago it was shown that the Haitian people are not all hysterical, but that demon possession in Haiti was the normal means of communicating with supernatural powers. If demon possession trances were genetic in origin, then why do some groups of blacks from the same gene pool but living in other nations have absolutely little to do with the occult?

d. Investigators in Haiti have had to discount demon possession as a neurosis. According to one investigator the number of schizophrenics and psychotics is very small within cults like Voodoo. "Here the very marked lack of response to the cathartic therapies employed in possession cults in the case of seriously disturbed individuals...is itself a testimony to the robust mental health of the majority of participants....The latter have no difficulty at all in communicating their problems. They operate within a culturally standardized medium of communication. Nor in contrast to the true self-insulated psychotic, do they miss their "cues." They respond in the expected way, and others react equally predictably."

A Brazilian psychiatrist said that no "frankly schizophrenic person would be able to pass the probationary scrutiny" involved to join this religious group. (These last two quotes come from a study of Black Religious groups.) Interestingly, studies made of W.W. II war criminals show no personality differences between them and the normal population. Could it be possible that there really is a demonic element in the lives of people that helps move them in the direction of evil?

So what is demon possession in Haiti's Voodooism? According to the Haitians a spirit which they call "loa" joins a person like a rider mounts a horse. The spirit then controls the person like a rider. The possessed person is called a "chual" which means horse, and the spirit is said to mount or saddle his victim. Blood sacrifices are often associated with the demon, and the possessed person will drink the blood from the sacrificed animal. Polished stones, and herbs, and trance and dissociative states are used to attract spirits. While the Monarch slaves have trauma-based dissociative states, the practitioners of Voodoo have ritually induced dissociative states. Voodoo rituals will involve chanting, drums, at times handclapping and frenzied dancing to induce the dissociative states. In fact, several features have been

identified which bring about dissociative states in the black religions of the Caribbean and South America.

First they have dancing to a pronounced and rapid beat. Next, the induction into the dissociative state frequently follows a period of starvation and/or overbreathing (hyperventilation). The beginning of the demonic possession is characterized by a brief period of muscle inhibitions, or a collapse. The person who is experienced at being possessed acquires a specific behavior pattern for the deity that is supposedly controlling it. And finally, the head and limbs may tremor under trance, and the person may become dissociative enough that they can pick up red hot irons. The possessed can be conscious, semiconscious, or unconscious. Studies made of this situation where an entire nation like Haiti actively seeks demonic possession allows us to discount some explanations and get a better picture of what demon possession isn't. It also helps to understand what is involved in demonic possession.

The first major authoritative work on Haitian Voodoo written in 1884 by Spencer St. John reported on the terror, the blood rites, and the cannibalism of Haitian Voodoo. This has been too much for some people to believe. Still, if people stop to realize how Voodoo came about it, it makes sense. Conservative estimates of the number of slaves brought into the port of Saint Dominique while it was a plantation colony are 900,000. The conditions on the island for the slaves was like a Nazi work camp. The cruelty on the colonial Haitian plantations was beyond comprehension. The Africans brought in as slaves already practiced JuJu. Under the crucible of the severe torture of slavery, the slaves formed Haitian voodoo, which is a conglomeration of African Voodoo, Masonic rites, and European magic and Catholic saints and symbols. For 2 centuries, their African voodoo was these slaves only power against their cruel plantation owners, and is partly credited for helping Haiti become the first free black republic in the revolution of 1804.

In Haiti, Cuba, Brazil, Trinidad and other areas of the New World, where JuJuism has transformed itself into black occult religions, the old gods of Africa: Damballa, Erzilie, Legba, Obatala, Ogun, Oshun and others have been equated with Catholic saints and given the names of these saints. The ritually induced dissociative states of Voodoo are generally accompanied by amnesia, that is lost time. During this lost time, the person acts as if he is a spirit (god). This is a ritual based dissociative state rather than a trauma-based dissociative state.

The Illuminati Monarch programming at times attempts to combine the two bases--ritual and trauma--to create a dissociative state. This is why is it difficult to separate out the religious factor.

India

Up to now there have been numerous cases of demonic possession in India, but there has been no case of a true multiple personality. The reason why is that the multiple's in the U.S.-Europe are being cranked out by trauma-based mind-control and the Illuminati hasn't been programming in India like the U.S. & Europe. As the slaves that are being created disperse, within time, we will eventually start seeing multiples in India.

In the American Journal of Psychotherapy, Jan. 1981, p. 115, it states, "However, so far, no case of double or multiple personality so labelled by a psychiatrist, has been reported from India in the professional literature. Considering that hysterical disturbances in general are quite widespread in the country, this is surprising. On the one hand, it could mean an actual low prevalence of multiple personality in the country." For those of us who understand what is happening, it is obvious why multiples aren't found in India. The fact that multiples aren't found in India ought to wake up people that multiple personalities is not "demon possession nor is it simply the result of bad parenting or everyday type of horrendous trauma. Almost everyone has a trauma in their early life, and is somewhat

dissociative, but that doesn't make them have multiple personalities, which are programmed and have separate histories and altar names. India has over twice the population of the U.S. and yet no multiples reported. After reading this book, the reader understands why not.

It might be appropriate to point out here that the early American cases of MPD (now called DID) are from bloodlines associated with the Illuminati. The first widely reported American case of MPD was Mary Reynolds in 1811. The Top 13 Illuminati Bloodlines covers the Reynold's bloodline as being a major Illuminati bloodline. Two other earlier Amer. MPD cases are one involving a man from Edinburgh University, Scotland and one found discussed in a letter in 1791 written by a Reverend Joseph Lathrop of Mass. to the President of Yale Ezra Stiles. (See Letters and Papers of Ezra Stiles, President of Yale College, 1778-1795. New Haven: Yale Univ. Press, 1933.) Those, who have tracked the conspiracy, or read Fritz's writings, know that Yale founded by the Unitarians has long been important for the Illuminati. The Unitarians have been connected with hermeticism and money from the start.

How The Anti-Christ Spirit Contributes To Controlling The Slave

Within the Illuminati hierarchy slaves, the Spirit of the Anti-Christ operates. The Mothers-of-Darkness are only allowed to become Mothers-of-Darkness after they marry the AntiChrist. The entire worldwide collection of Mothers-of-Darkness alters will serve the physical AntiChrist as a private harem when he takes over. They will also serve as an inner elite guard of the physical AntiChrist. They describe the consummation of the marriage with the AntiChrist as being badly burned. Because the AntiChrist, who is alive and well today, will be/is already the master handler and the master programmer a description of him is given in Appendix A.

How does the Spirit of the AntiChrist influence a Mind-controlled slave? Some of the things that this Spirit does to control individuals is to cause them to judge themselves. Another thing done to control the slave's alters to change their focus so they can't grow spiritually, bribe the person with enticing doctrines of demons, and mislead people from true freedom into religious bondage. We will clarify what we mean as we explain these things in the next few paragraphs.

Satan himself spawned the Anti-Christ spirit, as well as leading the demonic angels into their evil. The Spirit of the Anti-Christ has as its purpose the destruction of everything that God has built within the person--their looks, their curiosity of beauty, and their personhood itself. The Spirit of the AntiChrist is attached to the religious spirit when people get Christianity without the Spirit of Life. Many Monarch slaves with the Anti-Christ spirit are working under the cover of being good Christians. The Bible even talks about them, "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works." 2 COR 11:13-15.

The greek word translated "transforming" is also the source of our word masquerade. It means to have a front, with a hidden character behind the front. The words of the apostles warn Christians about "double-minded men" (JS 1:8) and that Satan's key people will masquerade with false fronts. In contrast, the Scriptures admonish followers of Christ to have their public lives match their private lives. Satan lavishes the Spirit of the AntiChrist upon his hierarchy. He doesn't lavish his spirit within what he views as the "rabble" of humanity, who do not directly serve him. When the Spirit comes into a person, it comes in as a cold clammy spirit that consumes all hope and all joy in life. Rather than being a fresh breeze bringing joy, this Spirit of the AntiChrist is like a vacuum sucking life. It is like being raped. Victims of this spirit, say they felt like they were raped and defiled by it. The person's own natural feelings of cleanliness will feel violated. This Spirit can touch our lives in different ways and at different levels. When our personal standards are violated, the persons will often not forgive themselves. Instead, they judge themselves.

This further illustrates how the AntiChrist sets up abusive patterns. By judging ourself, rather than forgiving, we set ourselves up as God, for only God can judge a person, for He is the only one who has a true standard and measuring stick to judge by. Captured by the cycle of abuse of the Spirit of the AntiChrist, a person will continue to beat up upon themselves. At some point we forgive ourselves, and in so doing we are saying that the memory no longer has mastery over us. As Christ is the incarnation of God in the flesh, the AntiChrist will be the incarnation of Satan in the flesh. (cf. REV 13:4) Satan wanted God's power and glory, but not the character of God. The Spirit of the AntiChrist has a wisdom that it promotes which is "earthly, natural, demonic." (JAS 3:14-15) The Spirit of the AntiChrist will entice people with the Doctrine of Demons. (See 1 TIM 4:1)

For instance, "For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that are just escaping from them who live in error. While they promise liberty, they themselves are the servants of corruption..." 2 Ptr. 2:17-19 The AntiChrist Spirit breaks our ability to love God & others. Satan's original pride came from selfishness. The Spirit of the AntiChrist brings selfishness, but it brings it in a hidden way. The AntiChrist Spirit will cause pain. Heaven, where the Spirit of the AntiChrist is absent--has no suffering. The hidden damage of pain is that it inflicts self-focus.

Christ as He hung on the cross was able to continue to focus on others. While most men would have been thinking about themselves in self-pity Jesus was still thinking of others. He said to his mother, "Woman, behold your son." And to John, "Behold your mother." To paraphrase, Take care of my mother. Later he said, "Forgive them for they know not what they do." (See the Gospel of John) Jesus even brought someone to the Lord while he hung on the cross. He was evangelizing. Don't so many Christians look for the ideal situation to lead people to the Lord, yet Christ did it under the worst of conditions. Self-focus, selfishness and pride are closely related. It is hard to point out where one begins and the other ends. The Spirit of the AntiChrist wants to draw others to its position of pride. So it inflicts pain and suffering, like it did to Job to draw the attention of the person off of Yahweh God and one's fellowman and onto oneself. All the commandments hang on us loving Yahweh God will all our heart, soul, and mind, and loving our neighbor as ourselves, but the AntiChrist Spirit gets our focus off of Yahweh and others and onto ourselves. Bitterness may develop in us. Bitterness grieves the Holy Spirit. Bitterness will seat itself in our mind, and like a transponder will emit bitterness. A lack of peace and joy results. The Spirit of the AntiChrist has sidetracked the whole maturing process.

As a child grows into an adult it learns to shift its focus from itself to others. Can we go in and focus on our own problems and solve them? If part of the problem is self-focus, then the answer is "no." The answer lies in focusing on the Holy Spirit. Living and walking in the Spirit of Christ is the health we seek. (GAL 5:16; JN 15:1-11) Does it work? Yes. The authors know of many cases, where all kinds of individuals solved all kinds of problems by receiving the Holy Spirit into their lives. They see the supernatural cleansing that happens, but many times they don't understand the principle behind what they just experienced. When some of their problems persist, do they turn again to focus on the Holy Spirit? Often they focus on themselves, self-pity, bitterness, etc. Counselling today often takes this approach. It is fine to identify the problem, but then following that- the solution is not to focus on the problem but to get out of the path of death. The process of healing. Healing may be a process, not an event. We break an arm in a second, it takes many months to heal. We break our capacity to love God and our fellowman, but we expect an instant cure. Anyone who has met the Spirit of the AntiChrist needs to learn how to love again. Love is an action word. One learns to hammer nails by hammering nails. One learns to type by typing. One learns to love by loving. The survivor who has been controlled by the Spirit of the AntiChrist may need to get a teacher of love, a "Loving teacher" so-to-speak.

Part J The Use of Angel Alters

Many Illuminati models had "angels" or "spirit guides" created that could provide divine messages to the Monarch slave. The Illuminati/Intelligence agencies have been highly successful with controlling people via their religious beliefs by implanting alters who are seen by a Monarch slave as being a messenger from God or the god(s). For someone like, Loretta Lynn, they use spirits of Indians. Another example of this, is someone having 3 Black Angels. The concept is the same though. This works in closely with having demonic guides.

Part K Scriptures In Programming

An ex-Programmer states that the Illuminati Mind-Control intentionally used verses from every book of the Bible. The Programmers also intentionally used everything Jesus said in one distorted way or another in the programming. A person can pick up a Bible with Jesus' words in red, and get a quick idea of one area of the Bible which was heavily misused. The programmers love to reframe (twist) parables.

Billy Graham, who is a Monarch handler, is very adept at weaving in programming language in with biblical messages. For instance, as this book was being finished, in his 1995 televised Christmas message, given in front of a fireplace with 13 candles lit behind him, he said, "Come home so I can give you a new heart." A little later he activated the Plowshares programming, and a little later he said, "from the cradle to the cross to the ground", which is a phrase any deeper cult alter would have an entirely different meaning for than the person on the street.

Readers, who read chapter 5, will remember what was written about Billy Graham. When Billy Graham was in Portland, his ministry somehow got the addresses and phone numbers to all the Monarch survivors in the area, who he invited to a personal meeting with him. While he had his mind-control survivors gathered, he talked to them and set off their programming with their personal codes. This was observed by several witnesses. His ministry also sends codes via their messages flashed across the bottom of the T.V. screen.

The reader needs to bear in mind that bloody Satanic holidays occur around Christian holy days. The Winter Solstice occurs around Christmas. Every Christmas, the Illuminati covens around the world build mangers with children which they sacrifice. This is worked in to enhance the programming they are doing with their children. Around Easter time, the Illuminati do Death, burial and resurrection ceremonies (traumas). Nothing sacred to Christianity gets overlooked. The method that it is mocked depends on who is in control of that region's ceremonies.

The idea of using Scriptures for programming accomplishes several things: a. therapists are usually secular and unfamiliar with the Bible. This prevents exposure of the programming cues and triggers and fronts. b. ministers are usually unable to believe in psychology and mind-control programming and so their Bible knowledge is not of any therapeutic benefit because they are ignorant of Satan's devices.

Some Christian ministers are putting out advice that Multiples need to be helped by simply telling "the person" to quit using multiplicity as a way to cop out of responsibility.

First, there is no "person" who is using multiplicity as a cop out--the personality of the person has been shattered--and no one person represents the entire mind.

Second, the person is not in control of their mind to stop what is happening. They are under total mind control.

c. the last place people would look for understanding Satanic programming is in the Bible.

d. when programmed multiples go to church, they can be used, and programmed by using Christian

terms. There are "Christian" churches in Washington, Arkansas, Tennessee, and California and many other places which are 100% cult mind-control operations, such as the "Lord's Chapel."

e. When a programmed multiple tries to set themselves free by taking in spiritual knowledge of God, they find that the Bible is a programming trigger, that sets off programming or brings up some alter. Reading the book of 1 John might bring up the Illuminati's alter named Jesus.

f. The cult which is doing the programming by making a mockery of God, can build their egos and their pride. It may allow them to feel they are more powerful than God Almighty.

g. The victim can be told that "God" is telling them to do something. And who sets himself up as "god"? --the cult programmer.

There isn't anything in the Bible that can't conceivably be misused, but some of the Scriptures and their programming misuse are listed below. Scriptures that lend themselves to double-binds, to obedience or cover stories that seem to justify the programmer and the programming are used. Names of Queens and Kings in the Bible can be used for alter names. The men who wrote under inspiration, knew that scriptures could be misused, in 2 Cor 4: 1-2 Paul writes about himself, "Therefore seeing we have this ministry, as we have received mercy, we faint not; but have renounced the hidden things of dishonesty, not walking in craftiness, nor handling the word of God deceitfully..."

Clearly, mishandling the word of God deceitfully is an ancient art.

Genesis Genesis Creation Story--cover story for the creation of parts of a slave's System

Tree of Life--used to create an internal Cabalistic Tree of Life for alter magic

Adam & Eve--code words

Garden of Eden--part of the System, usually the early pure part that needs to be guarded by "angels" (demons)

Angels--alters or demons placed into a System. Angles could be a method by which the abuser sends messages to the person, thus giving divine credibility to the programmer's message. Angel names can represent alters and demons placed into a person.

Sodom & Gomorrah--a type of suicide program

Genesis 22:17-18, "That in blessing I will bless thee, [the programmer as god is going to bless the victim with torture] and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore; and thy seed shall possess the gate of his enemies; and in thy seed shall all the nations of the earth be blessed [all the areas of the system]; because thou hast obeyed my voice." [the programmer's voice]

Melchizedek--a type of occult order or rank

Genesis 38--pledge of a signet, bracelet & staff--trigger cues to open up a System to obey.

Joseph & Esau's birthright--Satanic birthrights emphasized as if sanctioned by God's word.

Exodus The 12 (actually 13 with Manassah and Ephraim) Tribes of Israel can be used for the code names of alters and sections of alters.

House of Israel--code name for section/structure of a system

Plagues of Egypt--Program to terrorize a slave.

Oaths and Covenants--their existence in the Bible is used to emphasize the validity to Satanic oaths and covenants. The curses that God says will happen if disobedience takes place are used by the Handlers to instill fear into the victim, that if he doesn't comply, God's curses will fall on them.

The Catholic/Jesuit programming relies heavily upon the Bible. The Bible verse ECL. 5:4 "When you make a vow to God, do not delay to pay it...It is better not to vow than to vow and not pay," is used by these Satanic programmers to hold their victims under vows made under duress, hypnosis, or deception. (DT 23:2 1 also emphasizes keeping your vows.) These Satanic Mind-controlled slave handlers do not tell their slaves that Numbers 30 states that many vows, such as the vows of children are null and void. The first fruits of things belong to the real God of the Bible and can't be vowed away. The Satanic groups like to take the first male child in mockery of what belongs to God. Evil vows, vows made under duress (just like contracts made under duress) are null and void. But the Handlers never tell their slaves these "finer points of the law." Instead, they use the Bible to justify their own goals.

I AM [one of the names of Yahweh]--used as a programming cue or name

EX 15- "I am the Lord that healeth thee". The programmer can apply this to himself as he helps rescue the victim from a manufactured life-threatening crisis.

Ten Commandments with LEV 20--used to belittle the victim to show him that he is rejected of God. When the Programmer sets himself up as God, he can misapply all the verses calling on people to serve God such as DT 4:29 "Seek the Lord thy God, thus thou shalt find him, if thou seek him with all thy heart and with all thy soul."

See DT 8:18 also DT 11:13, "love the Lord your God, and to serve him with all your heart and with all your soul." Of course many of the alters have been stripped of their hearts during programming and given a heart of stone. They do not have a real heart to serve God, but they can serve their master with their heart of stone.

OT Historical Books 1 KG chapters 16-2 1, The story of Ahab, Jezebel, and Elijah. The Programmers play themselves in the role of Jehu coming to protect what is his. The only admirable thing for Jezebel to do, is to put her make-up on and prepare herself to die. This story is used to make a woman slave think that the only admirable thing to do is to prepare to die like Jezebel.

The Vineyard of Naboth is also used as a programming theme.

The show Mysteries of the Bible is an example of how the Bible and television can work together to control a person. This show had an episode about Jezebel, Ahab and Jehu. It must be remembered that Dr. Green's internal alter in some victims is called Jehu, and that another programmer has taken the identity of Ahab and that one of the deep cats is the Grande Dame programmer represented by Jezebel.

The effect of the show on one Monarch System was this: Jehu has the power over the gates and to bring judgement upon Ahab and Jezebel. Jezebel in the show Mysteries of the Bible is praised because when she knew she was going to die she got her makeup on and she got herself ready for Jehu and allowed herself to be killed. The System understood the show to mean in paraphrase: "this is a threat, you are to get yourself ready for Jehu or whoever and comply."

Prophets EZ (Ezekiel) 1:15-17 and the rest of the chapter. This whole chapter is used to build the

internal circle within circles of interconnecting worlds of the alter system.

Jeremiah 18:3--When the child is 3 or 4, a utility program called the Potter Wheel is placed in so that the Programmer can work with an entire section of alters if he so desires. When an alter(s) go up on the wheel, they are available to be worked on. They will be asked to "stand in file according to rank and serial no."

EZ 37--The story of the Valley of Dry bones is used as a way of reactivating dead robots--or dead robotic clones within a Monarch system.

JER (Jeremiah) 47:3--in this verse horses show up when a boundary was crossed. This is used to put in protective programming.

Nahum 3:2--the sword = staff. The entire 3rd chapter of Nahum is used to make slaves feel that God has rejected them. They have no heart, because of their evilness.

Daniel Daniel 10--the Beast with 10 toes (used for programming in the Beast computer)

Gospels MT 5:13 "Ye are the salt of the earth: but if the salt have lost his savor wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out and to be trodden under foot of men." This is used to justify punishment of the slave.

MT 6:22-23 "The lamp of the body is the eye. If therefore your eye is good, your whole body will be full of light. But if your eye is bad, your whole body will be full of darkness. If therefore the light that is in you is darkness, how great is that darkness!" These words are used with a mean programming trick where disobedient alters are pulled up, locked into place, placed mentally within crystal chandeliers and then the sexual organs, mouth, and side of the brain are shocked in sequence. The "light" does a severe shattering to all the alters which experience the shocks. This shatters the disobedient alters and they are replaced with others.

MK 3:24-25, "And if a kingdom be divided against itself, that kingdom cannot stand. And if a house be divided against itself, that house cannot stand." Used to help justify backup programming that will not allow disobedience. The slave's front alters are told to go along with the rest of the System's desires, and if not, then the house (body) will fall (commit suicide). This type of scriptural programming is used in a demonic way to keep the victim from straying from the script of the mind-control.

MK 4:6 "But when the sun was up it was scorched, and because it had no root, it withered away." This is used to make sure the roots of the programming are not uprooted.

MK 4:28-32, "And he said, Whereunto shall we liken the kingdom of God?...It is like a grain of mustard seed. ..But when it is sown it groweth up and becometh greater than all herbs, and shooteth out great branches; so that the fowls of the air may lodge under the shadow of it." In the programming, a tree is programmed mentally into the victim's entire body. This tree carries the programs, and the birds nest in it. This scripture is used for the imagery of part of that programming.

MK 5--This entire chapter deals with the story about Legion (which is a large number of demonic spirits). The story is also found in MT 8:33. Legion is placed into the person to guard the All-Seeing-Eye.

LK 1:46-52, When a person is traumatized and the Master is allowed to save the victim, he can present himself as Savior and will use this scripture to buttress his authority.

LK 11:9-10, "And I say unto you, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you. For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened." This is used to reinforce the knocking triggers that open up a system. MT 7:8 is almost identical to this scripture.

JN 15:4, "As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me." This is used to force the slave to stay within the programming script, so that the fruit (the programs) will not be damaged. The slave has been given lots of alters and demons whose only assignment is to protect that fruit-bearing (the program-bearing) capability of the System. This chapter continues, "If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you....If you keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in his love."

JN 15:7,10 In other words, the Master is telling the slave, if you do what I command, you remain in my love, but I will pull my love away if you don't comply.

ACTS 17:28, "For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring." The slave is bonded totally with their master. His existence is their existence.

Paul's Writings ROM 1:7, "And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in his own power." The slave is to depend upon the Master called God for all this.

ROM 1:18, "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness." Used by the Programmer/handler to justify their wrathful abuse.

ROM 6:16, "Know ye not, that to whom ye Page 312 yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness." This scripture is a good one to use with ROM 13:1 to make the slave think that obedience to the Master's authority is righteousness.

ROM 7:22, "For I delight in the law of after the inward man." God is Programmer, and the slave is to delight in programmer's laws.

ROM 9:20-22, "Nay but, O man, who art thou that repliest against God? Shall the thing formed say to him that formed it, Why hast thou made me thus? "Hath not the potter power over the clay, of the same lump to make one vessel unto honour, and another unto dishonour? "What if God, willing to show his wrath, and to make his power known, endured with much longsuffering the vessels of wrath fitted to destruction." The programmers teach the alters that the Programmers are the Potter and the alters and their minds are the clay. What right does the clay have to question the Potter. This is a powerful verse used to insure compliance and acceptance of the programming.

ROM 13:1, "Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God." There is the perfect scripture to be misused to prove to the slave that their master has to be God or at least ordained by God. Who has power? Where does power and authority come from? God. This is a favorite verse within the Catholic realms to demand loyalty to authority. To defy their authority is to defy God. It is the perfect double-bind for the slave.

1 COR 3:16, "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye

are." The slave has a temple built into their System and they are told that their master is God. If they defile that temple (by touching the programming)--their master will destroy them.

1 COR 11:27, "Wherefore whosoever shall eat this bread, and drink this cup of the Lord, unworthily, shall be guilty of the body and blood of the Lord." Actual blood and an actual human body are consumed. The person is told they must be worthy of this or else they are guilty.

2 COR 1:22 "God; who hath also sealed us, and given the earnest of the Spirit in our hearts." Can be applied to the Programmer, who is God.

2 PTR 2:22--Slaves are cursed with the verse and as dogs told to return to their own vomit. During the tortures of eating foul things, the slave doesn't want to vomit--because it is a standard practice to make slaves eat their own vomit.

Revelation (Or Apocalypse) The White Stones of REV. 2:17--The deeper alters go through a ceremony where the white stone is taken and a black stone with their name is given.

REV. 6-8. The 7 seals are used for Armageddon Suicide programming. First, the white, second the fiery red, third the black seal, and the fourth is pale, it is death & hades, fifth, is blood and beheading, sixth, is earthquakes internally, and the seventh is golden which is silence.

RV 21--The description of heaven is used to build internal structures and the stones used in heaven are used for access points. "The street of the city was pure gold, like transparent glass."

RV 21:21 lends itself to Wizard of Oz Yellow Brick Road programming. The words "Alpha and Omega" are programming triggers. The trumpets and seals of Revelation and the horses of judgement are all part of the charismatic Monarch Mind Control. With An Ancient Warning The prophets of the Bible warned that mind control would dominate the world in the last days. For instance Paul wrote, "Now the Spirit speaketh expressly that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils."

1 TM 4:1,2 "...the god of this world hath blinded the minds of them which believe not..."

2 COR 4:4/ Along this line Jesus the greatest prophet said, "When the Son of Man comes [referring to his own second coming], will he find the faith on the earth?"

Lk 18:8 Paul warns "Let no man deceived you by any means: for that day shall not come, except there come a falling away first [from the truth]."

2 THES 2:3,4 He tells us that in the last days people will not endure sound doctrine which means sound teachings. The prophet John warn that the love of the truth was all that would protect people in the end times from the mass deceptions coming. It is this mass mind control and individual mind control which allows the satanic New World Order to carry out a world-wide satanic conspiracy right under the noses of the world's citizenry without the majority of people even being alarmed! "...The whole world lies in the control of the evil one." 1 JN 5:19

Part L

Theta Programming got its name just as the Alpha, Beta, and Delta Programming in part from the four types of EEG brain waves. Theta waves are frequent in children. The 4 types of waves are rated according to their wave frequencies which are delta- 1-3 cycles/sec; theta 4 to 7 cycles/sec; alpha 8 to 13 cycles/sec; and beta 13 + cycles per second. Psychic warfare became a branch of the Monarch

Programming. This is the Theta Programming. It is the marriage of occult practices with state of the art science. The idea to be able to copy what Elisha did to the King of Syria (2 KG 6:11-12) when he "telepathically" spied on the enemy, discovered their plans, and thereby ruined their chances of success.

Today this has been called "ESPionage", and the U.S. Army's term is "psychotronics". Of course, the CIA's position is that they couldn't find anything that worked, but that is simply not true, because the co-authors know of many Theta alters and Theta model systems which have Theta programming which is successful. Black magicians have been honing their skills on how to deflect magical attacks for centuries. Are their efforts superstition and empty nonsense, or do they really have efficacy? The Illuminati and Hitler believed in black magic. And in recent times, the other groups involved in trauma-based mind-control have also looked into magic based psychic warfare. For those readers who skipped the split-brain programming section, you may want to read that section to find out how the Illuminati create alters via split-brain programming who are very intuitive and capable of interacting in higher demonic spheres such as the occult planes of the magical Watchtowers.

Some of the groups who did research for the Monarch's Theta Programming are:

AiResearch (AI can stand for artificial intelligence) Manufacturing Co., Torrance, CA (such as psychic warfare & ESP)

Biological Dept. of Air Force Research, Baltimore, MD (telepathy)

Bell Telephone, Boston, MS (telepathy)

Defense Intelligence Agency

Duke University Parapsychology Lab, Durham, N.C. (parapsychology, ESP, telepathy)

Garret Air Research Corp., El Segundo, CA. (ESP, ELF)

General Electric, Schenectady, NY

Institute of Noetic Sciences Maimonides

Dream Lab in Maimonides Medical Ctr., Brooklyn, NY

NASA (telepathy and many other things)

National Institute of Mental Health (funneled money to telepathy/clairvoyance projects for the CIA)

Naval Surface Weapons Center and China Lake

Princeton Univ., (ESP, remote perception, telepathy)

Stanford Research Institute

Veterans' Administration Hospitals

Whether the public perceives Psychic warfare as viable or not, billions of dollars have been spent on it, and numerous Theta models produced. Twelve psychics in a room together are said to be able to guide missiles which are fired. There are a number of excellent books that have come out on the subject.

The New Earth Battalion and the Delta forces of the U.S. Army consist of Monarch slaves trained in

Psychic warfare. (The reader is invited to read for instance John White's book *Psychic Warfare Fact or Fiction?* (Wellingborough, UK: The Aquarian Press.)

Col. John B. Alexander has been one of the more visible and prominent military men assigned to training and providing the U.S. Army some elite units of warrior-monks who can fight with both martial arts and psychic warfare. Of course, they picked their elite mind-controlled programmed multiples for this. Col. Alexander's position has director of "the Advanced System Concepts Office" in Adelphi, MD. He has worked with Col. Michael Aquino with Monarch slaves.

Upper level martial arts involves the use of the occult. The Ninji are one of the few groups who openly realize that their martial art power comes from demonic powers. A half crow/half man spirit empowers them. The Samurai would kill the Ninji because they used witchcraft in warfare. But the Samurai and many other martial arts also use occult powers, which are actually different forms of witchcraft and demonology, even though they don't recognize it as such. Now American Monarch slaves in the U.S. First Earth Battalion are taught to throw energy balls, to move people during hand to hand combat, and do other things using occult forces. (Yes, these warrior/monk groups are even getting into blood sacrifices.)

In 1987, The Seattle Times, ran a front page story on Lt. Col. Jim Channon, who worked with the military Theta models. The story is entitled "The New Army's experiment with 'New Age' thinking". The article says, "So the army tried 'New Age' thinking - the idea that the world can be changed by changing the way people think about it, and that the mind has invisible but tangible powers yet to be tapped.

Centers were established at Fort Ord, Calif., and in Washington, D.C., to explore the intriguing idea that mind power plus firepower could either win wars or make them unnecessary. From 1980 to 1982 the proposals were expanded at Fort Lewis by Lt. Col. Jim Channon....The Army began by finding young officers enthused with 'new thought' and combining them with skeptical scientists. The two groups were quickly dubbed 'the butterflies [an appropriate name for Monarch mind-control men] and the bees.'...One result was an Army think tank at the Pentagon that evaluated the paranormal - unusual psychic or mental phenomena. It brought in proponents of extra sensory perception (ESP), mental spoon-bending, people who 'channeled' spirits and even a helmet designed to unite the left (logical) and right (intuitive) halves of the brain."

Col. John B. Alexander, US Army and part of the Monarch Programming, wrote for *Psychic Warfare*, "Psychotronics may be described as the interaction of the mind and matter. While the concepts may stretch the imagination of many readers, research in this area has been underway for years, and the possibility for employment as weaponry has been explored. To be more specific, there are weapons systems that operate on the power of the mind and whose lethal capacity has already been demonstrated."

Some of those systems are Monarch systems of the Theta Model, and many of those in the military are young men of the Illuminati. Some have been seen at NORAD, in Colorado, which helps confirm that Theta models are being employed to bring in the Anti-Christ. (NORAD is a main center for Alex and Janus end-timed programming.)

10-4.gif 10-5.gif 10-6.gif

Col. Alexander claims that the ability to transfer energy from one person to another has been proven, that emanations of body energy have been proven and picked up by Kirlian photography, and finally that hypnotic states have been induced telepathically. The Pentagon and the CIA spent many millions of dollars on ESP, at least \$6 million per year. According to the information that has leaked, there are

psychic humans, but the ability is not a consistent ability available for all. In the early 1980s it came out that the Navy had 34 psychics, who they paid \$400 a month, to track Soviet subs. The CIA claimed during the cold war that 200 Russian experts were working on telepathy. Many of the Illuminati's Monarch slaves will speak about learning on the astral plane.

One reason it is difficult to deprogram a slave, is because the deeper parts know how to astral project, and can carry out the demonology which helps their master to astral project to them so that the System can be reprogrammed. Whether the therapist believes in demonology or not, if the therapist deprograms a client and then finds out that the deeper parts have undone the work via the astral plane, the therapist should look into how to manage this problem. This type of reprogramming rarely needs to occur because few slaves are ever even partially deprogrammed.

One of the most skilled programmers of Astral Projection is the Programmer B. Bowers. He is known nationally for this skill. He worked with the famous Manly P. Hall, who also had a reputation in the Illuminati for Astral Projection. Astral projection is accomplished by a focused trance where the spirit by demonic power leaves the body and travels to a particular point. Grand Masters within the Illuminati can give lessons to students on the astral plane. Much of their Illuminati occult learning, according to some Illuminati slaves was done on the astral plane. We will discuss several methods on how this is done.

The traditional druidic method (the three stepping stone method) to teach astral projection called "spirit flight" is to get 3 stones, a silver one, a gold one and a black one. Three small stones which are painted would work. The silver represented the female, and the properties of silver. The gold represented male and the properties of gold. And the black stone represented midnight and the unknown and the properties of coal. The silver stone will be placed at a carefully selected location at some distance from the student's house, and then farther out the gold stone will be placed, and still further out the black stone. During sleep the Druidic student will practice seeking out the "three stepping stones" in order.

Telepathy has been developed by the Illuminati, but is a closely guarded secret, which their Illuminati slave alters are trained in. Telepathy is used by Delta teams to coordinate their activity and to sense if one of them is in danger. Duke University (which ties back to the Duke/Reynolds Illuminati bloodlines) has done massive amounts of research into psychic abilities. Only certain people have the ability to be a psychic. A certain type of brain structure is required and the CIA has identified and mapped everyone with this natural ability in the U.S.

However, the Programmers are not above "cheating" in creating psychic phenomena within the slave's mind too. Since slaves can not be consistently given Theta programming, a surgical implantation of a sodium/lithium powered high frequency receiver/transducers coupled with a multi-range discharge capacitor was placed into the brains of Monarch slaves. This gives the handlers the ability to signal by remote signals to the victim's brain. When the receiver picks up the signals they electronically stimulate certain areas of the brain which in turn triggers pre-set programming. Implants are now being placed in a high percentage of the Monarch slaves.

How Out-Of-Body Experiences (Astral Projection) Are Done

Another method of creating psychic phenomena with the aid of electronics is astral projection using sound waves. This method seems to work fairly consistently, although it is possible it wouldn't work for some people. It was discovered that astral projection occurs at a point that the body is asleep and the mind is awake. Focus 10 is the state of mind where the body is asleep and the mind is awake, and with the proper stimuli the mind can wander off into the astral plane. A few odd people get into the Focus 10 state by themselves, but it is rare.

The brain works off of waves that are less than 16 hz. and the human ear can't hear anything below 30 hz. so at first it appears sound waves can't influence the brain. However, if one ear hears 100 hz. and the other ear hears 104 hz. the brain will hear a ghost beat of 4 hz. 4 hz happens to be a theta/delta frequency on the border of sleep and waking that can possibly launch an astral trip. Focus 10 is just the starting point for astral travel. Focus 12, 15, 21 and beyond are the real trip. When a person astral projects it is said to change the BEG pattern to a special pattern called Alphoid. To stimulate someone to astral project they are induced into sleep, and then just as they lose consciousness, the mind is jolted awake with some high-frequency beta signals. The body remains asleep, and the mind is then free from the body to wander. A hemispheric synchronizer (which was patented in 1975) is used to get both hemispheres working together.

Those who want to read more on this subject might start with *Journeys Out of the Body* by Robert A. Monroe, and *Far Journeys*, and D. Scott Rogo's *Leaving the Body: A Complete Guide to Astral Projection*, and *A Traveller's Guide to the Astral Plane* by Steve Richards.

Other Theta Controls ELF (Extremely Low Frequency Waves) are being used to modify people thoughts, implant thoughts, and modify their emotions, such as make a person angry. ELF weapons are being used on civilian targets in the U.S. High pitched sounds, and helicopter flying with P7 mind control equipment are also augmenting the abilities of the Illuminati/Intelligence Agencies/NWO Network.

Telepathy

Essentially all Illuminati slaves have dark side alters who are taught to be telepathic. There will be differing opinions as to whether this is real or imagined. IF it is real, and we will work off of that assumption, then how do the Illuminati do it?

Again there are varying opinions about how it mechanically works--it appears that it may involve all or part of the following components:

- a. The human nervous system is able to change the gravitational constant in a field surrounding a person. If the sender had a low field and the receiving party had a higher than normal field, thoughts can flow from the sender to the receiving party.
- b. Somehow altered states of consciousness influence telepathy. Experiments with two people who simultaneously hypnotize each other, have found that they enter a shared world in which they do not have to verbally speak to communicate.
- c. Demonic spirits provide insights to those who are involved in the occult world, as a method to further entrap the occultist.

In other words, the person is cooperating with some other intelligence. Although the various occult groups have different ways of explaining telepathy, with Alice Bailey & Lucis Trust (and spin off groups like the I AM movement) it is explained that you are an ascended master. In some groups, telepathy is described as putting on energy and then controlling that energy. It is seldom in the occult world that telepathy is linked with demonology. However, those in the occult world who are skilled in demonology are fully aware that the "energy" that one controls to carry out telepathy are demons. In the occult, the telepathic person must control his demon and then send it to another person. The first person's demon must then control a kindred spirit in that person. High ranking demonology, such as in the high ranks of the Illuminati, would view telepathy as the ability to control demons.

- d. An excess of negative ions in the atmosphere has significantly increased telepathic scores in experiments. When telepathy occurs, researchers have noted that the parasympathetic nervous system is

activated, & this occurs along with an increased amount of acetylcholine in the brain. According to the high levels in the occult, there are 7 points in the Auric Body. These points are not on the physical body, but are on what is called the etheric body (or the body's astral energy) whose location is approximately in the same locality as the physical body, except that it extends for a few inches beyond. The 7 points--(all important demonic portal points) are the top of the head, the third eye, the throat, the chest-heart area, the solar plexus, the lower abdomen, and the genital area. (The back of the head and the spleen make up 2 other points that are not considered as active. There are 21 minor centers, and 49 focal points found on the human body.)

Streams of energy called nadis carry the astral energy to where the sender's mind focuses to have the energy taken. The recipient feels this energy in the solar plexus. Another area that is said to be active during telepathy is the throat. The throat area on the etheric body is said to be able to transmit mental thoughts if the sender and receiver are in harmony and rapport, and are dissociated. Intuitional telepathy is said to be a function of the third eye and the throat areas working together to send thoughts. In review, there are several different types of telepathy, all of which use different points of the etheric body. Whether therapists believe in telepathy or not, if they work with Illuminati slaves who feel comfortable to express themselves, then the therapists will find out that the deeper parts have been trained in mind reading and telepathy.

An Illuminati Monarch mind-control slave will be twinned with another Monarch. If these two persons are in the same room and send forth a glance of love toward each other, they will establish a connecting energy link that allows them to telepathically communicate. When two Multiple personality Systems meet, there will be communication going on dozens of levels as all types of alters seek out their counterparts and begin to communicate.

A drug containing alkaloids derived from the Ayahuasca vine in Brazil is said to place a person into the telepathic state. Canada outlawed it in 1947 after a company sold it publicly in 1946. The U.S. may also have outlawed the drug. Sodium amytal destroys psychic abilities, and caffeine enhances them. Also a positive intent by the receiver and the correct emotions of both parties helps.

Killing From A Distance

Various methods have been attempted by the military to give their warrior monks the ability to kill by psychic powers. One reported project in the late 1970s, which appears to have tried to link technology with some previous occult ideas, was called Dreamscan. When a person was in his dream state, waves matching brain waves are to be generated by some type of hardware, in order to cause the death of the sleeper. Some intelligence assets in AT&T were said to be involved in this.

In Quick Review

The military and the Illuminati are using telepathy, psychic warfare, astral projection and other occult sciences with their programmed slaves. The ability to carry out some of these occult sciences (psychic abilities) can be greatly enhanced by certain drugs, brain wave patterns, training, and demonology. Non-illuminati models may not have these abilities built in, but the deeper alters of Illuminati slaves generally have some alters who are trained in all these abilities.

The Philosopher's Stone

One of the major goals of Alchemy was "The preparation of aurum potabile, liquid gold, a sovereign remedy, because gold being itself perfect could produce peffection in the human frame." -quoted from The History of Chemistry as quoted by Manly P. Hall in his The Secret Teachings of All Ages, p. CLV.

Gold has long been called the metal of wisdom by the Illuminati. The Illuminati are well aware of the alchemical quest to create the correct type of gold which will bring enlightenment to the world. The Rabbi's, who know the Cabala, have considered the secret of white powdered gold the greatest secret of all times. Somehow the Egyptian Pharaoh's had learned the secret of how to make white powdered gold which when seen up close is transparent--like the gold described in the Bible as making up the streets in heaven. This gold is monotonic (with molecules in a high spin state), and looks like baking flour. It greatly enhances the pineal gland, and a similar substance of iridium greatly enhances the pituitary gland. Regular yellow gold or gold salts will cause the hair of the subject to fall out, but white gold is safe to ingest. After ingesting the white gold for over 9 months, a subject will become extremely psychic and disease free. The person's body will also glow. Whether the Illuminati discovered this white gold, and have been using it secretly when their adepts went into hiding for months of long training, or whether they were only playing with substitutes we cannot say. (By the way, some occult groups groom slaves in the craft for 24 hours a day for a year.)

At any rate, in recent years a man named David Hudson, who is of the Holy Blood line (13th Illuminati Bloodline, of the de Guise lineage), discovered and patented white gold. He named the white gold Ormus, which is the occult name for the Priore de Sion. Ormus also pertains to gnosticism in the ancient world. Ormus is also the Hebrew words for "golden tree", which David finds appropriate since this white gold is the elixir of life that the shew-bread (& manna) was made from. This is said to be the reason the Priest glowed when he came out of the Holy of Holies, after eating the shew-bread.

David Hudson, told co-author Fritz that he was supportive of the cabalistic goal of Adam Kadmon. Because Hudson knew the cabala very well, it seems likely that he understands what Adam Kadmon is really all about. Monarch slaves of the House of Rothschild have revealed how the Illuminati are able to do what they call Proxying. This is a Mind-Spirit transfer, done by the twinning traumas, channeling, telepathic communication, and astral projection so that all slaves worldwide are being pulled into one single interlinked Demonic One World Mind.

We do not understand how white gold and iridium help the body become a semi-conductor so that the body is highly psychic, but it does. We hope to find out more. David Hudson has the patent (U.S. patent and some international patents) on white gold. There are a number of scientific studies on white gold which verify the power of white gold on the human body. When the co-author Fritz talked to David Hudson, he certainly knows the occult world exceptionally well, besides being skilled in the Cabala. He claims he has nothing to do with the occult world, and that he stays away from the Illuminati. He says that he took what was occult and turned it into science. The co-author's talk with him left many questions. David Hudson has given mankind the most important secret that has captivated the best minds of the occult world for centuries, the Quest for the Philosopher's Stone.

Further Spiritual Bondage Snares

There are a number of activities which are snares to entrap people, both Monarch slaves and people in particular, which are not commonly recognized as such. One has to view them in their overall context and the consequences of what these activities lead to. According to Biblical teachings, Satan is trying to develop man's hidden abilities as well as provide him some extraordinary supernatural power to encourage man's independence from God, as opposed to man's faith in, fellowship with and dependence upon his Creator. As man develops these hidden powers that were part of Adam's natural mental, psychic, and physical abilities, mankind increasingly feels more godlike.

Man's independence from his Creator Yahweh God, makes him more vulnerable and more dependent upon Satan. (Cf. verses in Scripture about the fall, 1 Cor. 15:4,5,46, how man is a combination of spirit, body, soul in 1 Thes. 5:23, and how Satan's system will do trade in the souls & the power of the souls of

men, REV 18:11-13.) Due to the corruption of man, God doesn't want to develop these abilities. For instance, atomic power may make man powerful, but man has not developed spiritually enough for these abilities to be used in a godly fashion. Mankind, according to the Bible, is not ready for these abilities, until mankind is on a higher spiritual walk with God. Today, mankind lacks the authority from God to use occult powers. Mankind's flirtation with occult powers, is similar to the teenage boy who is disobedient to his father's guidelines and uses his new sexual powers before he has learned responsibility and how to use his new power responsibly. We are not to be ignorant of Satan's devices. Understanding about these powers, just as the teenage boy understanding about sexuality in a constructive way, is not the same as the irresponsible use of these powers.

One of the most dangerous, ensnaring spirits, is the Spirit of Gambling. The Illuminati know that if they can get a man hooked on gambling, that gambling will bring in every evil spirit with it. When a man is hooked on gambling he will do anything. Gambling introduces covetousness, greed and lust. A man with big gambling debts will murder, sell his children, lie, deceive, steal, etc. This is not simply the two authors' opinions, but the experience of the Illuminati in working with human nature. When the Illuminati want to destroy a lineage, they will purposefully try to get a man or woman in that lineage hooked on gambling. That will begin a cycle of evil spirits being passed down for generations.

In order, to introduce the gambling spirit into society on a mass scale, they are working off of several traumas. The rejection, abuse, lack of power and lack of respect that the American Indians received from the White man, has opened the American Indians up to accepting the lie that opening gambling institutions on their reservation lands is a good thing. The American Indian is gaining back some power and money, but their gambling operations will actually lead them into further bondage. The state governments are finding it hard to finance projects, and their manufactured hardship is also opening the door to state run gambling. Again we see the trauma, and the subsequent programming lie being done on a mass scale. Once the gambling spirit is entrenched, it will continue to strengthen its control over people and society. These things are well-conceived spiritual operations that are blindsiding Americans because "evil" spirits are no longer politically correct to talk about. Illuminati Monarch slaves, such as a Mother of Darkness or Grande Master, are given occult powers. They are also frequently connected to gambling--they will have alters who like to gamble. Rather than being activities of power and opportunity, occult power & gambling are really activities that ensnare people. The symbol that the Programmers use to symbolize the bondage loops that they construct is the infinity sign, the same sign that we saw on the front of Billy Graham's Decision magazine.
